EUGENE NORFLEET GARDNER

It is marvelous how much God can put in one life. E. Norfleet Gardner did a lot of living in his years on this earth. Determined to use every moment to the fullest, he preached, he wrote, he cultivated friendships, he taught, he edited papers, he kept records, he answered letters, he responded to calls for help, he traveled with a purpose. He was a stickler for doing things right, and thus would correct the spelling or the grammar of his "younger brothers." Of this group there were many and they learned early that "his love was as great as his sternness."

Eugene Norfleet Gardner was born in Franklin, Virginia on November 12, 1894. He was privileged to have dedicated Christian parents who, along with their church, nurtured his spirit and mind. He professed his faith in Christ and united with the church when he was twelve years of age. The Franklin Baptist Church ordained him to the ministry on October 15, 1915.

His formal education included studying at the University of Richmond where he received his master of arts degree in 1915, Southern Baptist Theological Seminary where he earned his master of theology degree and the University of Chicago where he was awarded the bachelor of divinity degree in 1920. The University of Richmond honored him with a doctor of divinity degree in 1952.

Dr. Gardner's pastorates have included the Sycamore and Courtland Baptist Churches in Virginia from 1915 to 1916; the Robert's Chapel and Buckhorn Baptist Churches in the West Chowan Association in North Carolina from 1920 to 1924; the Mills Home Baptist Church from 1925 to 1929; the First Baptist Church of Dunn from 1929 to 1939; the First Baptist Church of Henderson from 1939 to 1952; and the First Baptist Church of Laurinburg from 1953 to 1960. After retiring from regular pastorates on January 1, 1960, he served in eleven interim pastorates.

The Gardners' home was always a place where people were welcomed. To assist him in making the home a place of fellowship and understanding were the members of his family. He was first married to Ruth Carver of Louisville, Kentucky. To this marriage were born two daughters, Lelia Norfleet (Mrs. Robert M. Hathaway) and Alice Ruth (Mrs. Joe L. Wilson). After the death of his first wife, Dr. Gardner was married to Mattie Macon Norman White, widow of Philip E. White. Children of Mr. and Mrs. White are Geneva Josephine (Mrs. Arthur H. Jackson, Jr.) and Louis Norman White.

Within the denomination no task was too small for him and he always did his best to fill that office with meaning. Pastor's conferences and associations received his devoted attention. In the state he served two years as president of the General Board and was a zealous trustee of Wingate College. At the time of his passing he was serving his ninth term as the recording secretary of the Baptist State Convention.

He was invited by the Southern Baptist Convention to serve on the Radio Commission, the Hospital Commission, the Relief and Annuity Board and the Foreign Mission Board. He filled these places with distinction.

In 1951 he was one of a team on a preaching mission to Japan. After that, he visited mission fields in many parts of the world. The needs of all people were on his heart and his friends in other countries were many in number.

As author he wrote *Old Testament Characters*, *Lamp Unto My Feet*, *Magnifying The Church*, *Journey to Japan*, *Always the Ten Commandments*, and *Changing Patterns in Christian Programs*.

Dr. Gardner's ability to remember names and his fine sense of humor won for him a multitude of friends. They will miss his warm smile, the hearty handshake, and the words of encouragement for which he was noted. He belonged to the school of good manners, fine taste, and noble culture. May his tribe increase!

CLAUDE W. WHITE

CLAUDE W. WHITE

"He wore like an old shoe" describes how people felt about Dr. Claude White. He did not attempt to put up a facade that would lead people astray about him. He was just what he was all of the time—unassuming, friendly, sincere, and dedicated to the service of his Master.

It was natural for him to be at home in the smallest rural church. Or, he could be at ease and respected in the presence of business executives and professional people in the sophisticated suburbia of 1968.

Born in Eastern North Carolina at Elizabeth City, March 4, 1916, Claude knew how to lead and inspire the confidence of the mountain man. But, he was not just a leader among strangers. Shortly before accepting the role of State Sunday School Secretary in North Carolina, he led in an enlargement effort at the First Baptist Church in Elizabeth City with good acceptance. It was not many blocks to the Blackwell Memorial Church where he grew up. The people of the neighboring church appreciated him.

Educated at Campbell College, West Texas State Teachers College, and Southwestern Baptist Theological Seminary, Dr. White had earned his doctorate in the field of Religious Education.

In addition to serving as a Chaplain during World War II, he taught one year at Campbell College and ministered to churches in several states. He gave himself at the First Baptist Churches of Canyon, Gatesville, and Mineral Wells, Texas. He worked with the people at Grey Stone, Durham, North Carolina. He did an outstanding work at Ashley River, Charleston, South Carolina.

Dr. White was used extensively in writing Sunday School helps. He provided one quarter of material for Rozell's Commentary and had a number of assignments from the Sunday School Board, Nashville, Tennessee. His fellows in Religious Education elected him to offices in their organizations. During one year he was President of the Southern Baptist Convention Religious Education Association. He served the Virginia Convention as an Associate in Sunday School work.

Claude married Blanche Campbell. Four children have blessed their home: Carol, Perry, Morris and Becky. Their home has been an abode of love.

Dr. White had a simple loyalty to enduring values. He knew Jesus, and he was not ashamed for men to know of his commitment. He knew and was happy in the leadership of the Holy Spirit in the tasks that were his.

Accidental death ended his leadership as State Baptist Sunday School Secretary on October 2, 1968.

CONSTITUTION

PREAMBLE

For the declaration of its fundamental purposes and the permanent guidance and control of its activities, the body does adopt the following as its Constitution, to wit:

ARTICLE I. Name

The name of this body is the Baptist State Convention of North Carolina.

ARTICLE II. Purposes

The object of this Convention shall be to promote missions, evangelism, education, social services, the distribution of the Bible and sound religious literature, and to co-operate with the work of the Southern Baptist Convention.

ARTICLE III. Authority

While independent and sovereign in its own sphere, the Convention does not claim and will never attempt to exercise any authority over any other Baptist body, whether church, auxiliary organization, association, or Convention.

ARTICLE IV. Composition

The Convention shall be composed of

(1) Two messengers from each co-operating church, and one additional messenger from each church for every hundred members or major fraction thereof, beyond the first one hundred members; provided, that no church shall be entitled to more than ten messengers. No one shall be a messenger who is not a member of a church co-operating with the Convention, and messengers must be duly elected by their churches; a co-operating church shall be one that supports any object of the Convention and which is in friendly cooperation with this Convention and sympathetic with its purpose and work; and (2) The officers of the Convention, the members of the General Board, the editor of the *Biblical Recorder*, and the President of the Woman's Missionary Union.

ARTICLE V. Meetings

The Convention shall convene annually on Monday after the second Sunday in November at 7:00 p.m. In case of emergency the General Board is empowered to change the time or place of meeting, cancel the sessions of the Convention, or call a special meeting by a vote of two-thirds of the members present when the vote is taken.

ARTICLE VI. Officers

The officers of the Convention shall be a President, a First Vice-President, a Second Vice-President, a Recording Secretary, an As-

sistant Recording Secretary, a General Secretary-Treasurer, three Trustees, and a Parliamentarian. The terms of the President, the Vice-Presidents and the Parliamentarian shall commence at the conclusion of the annual session at which they are elected and continue until the close of the next annual session of the Convention. The President and Vice-Presidents may not be elected for more than two consecutive terms. The election of all officers subject to annual election shall be on the afternoon of the first *full* day of the annual Convention, but the elections may be completed, if necessary, on the morning of the second full day. A vacancy in any of the above-mentioned offices, except that of President, occurring between sessions of the Convention may be filled by the General Board; such vacancies in the presidency shall be filled by the Vice-Presidents succeeding to the office in order of their rank.

a. In case of a vacancy in the office of General Secretary-Treasurer, the General Board shall nominate a man to the Convention to fill this office.

b. Opportunity shall be given to receive additional nominations from the floor of the Convention.

c. The man receiving the majority of votes cast shall be declared elected. Upon election, the General Secretary-Treasurer shall hold office for an indefinite period, with retirement at age 65, his term of service ending on December 31 of the calendar year in which he reaches age 65.

d. In case the position of General Secretary-Treasurer becomes vacant between sessions of the Convention, the General Board, upon the recommendation of its Executive Committee, shall name an acting General Secretary-Treasurer to serve until the next regular session of the Convention.

The General Secretary-Treasurer is the chief executive officer of the General Board, the chief administrative and program officer of the General Board staff, the chief budget officer of the General Board staff, the chief professional adviser of the General Board and its committees, the secretary and treasurer of the General Board and the Convention, and one of the denomination's spiritual leaders, providing statewide guidance and inspiration.

ARTICLE VII. Trustees of the Convention

The Convention shall have three trustees who shall serve for one year and shall hold title to the property of the Convention and convey and use the same as directed by the Convention, its General Board or Executive Committee. They shall execute obligations only in behalf of and as ordered by the Convention. They shall have the powers granted to trustees of religious societies by the laws of the State of North Carolina, but subject always to the limitations im-

posed by this Constitution and by action of the Convention, its General Board or Executive Committee. They shall require the Treasurer of the Convention to give suitable bond, with corporate security and in adequate amount as determined by the General Board, and they shall cause such bonds to be safely kept. Failure on the part of the Treasurer to maintain such a bond in force for as long a period as ten days shall authorize the Trustees to remove him from office. The Trustees shall make full, detailed reports to the annual sessions of the Convention and at other times if requested by the General Board. They shall safely keep the seal of the Convention and affix it only as authorized by the Convention, its General Board or Executive Committee. The seal shall be circular in form and shall bear the words:

“Trustees of the Baptist State Convention of North Carolina, Incorporated 1893. SEAL.”

The Trustees shall keep full minutes of all their meetings and preserve the same in permanent forms. They shall elect their own Chairman and Secretary. Any vacancy occurring in their membership between sessions of the Convention shall be filled by the General Board.

8. E. W. Price, Jr., High Point, Chairman of the Committee on Convention Arrangements, expressed appreciation for the work of his committee, composed of: Claude Gaddy, Raleigh; John Tiller, Morganton; Mrs. John Lawrence, Raleigh; Mrs. Leroy Parker, Greensboro; J. C. Thomas, Wilmington; Robert Clegg, Sylva; J. Roy Robinson, Hickory. He then expressed appreciation for the work of others in the Raleigh area who had been of special help, including Robert L. Costner, Secretary of Missions; Joe Zimmerman, President of the Raleigh Baptist Associational Pastors' Conference; Mrs. Kyle Graybeal, Director of Raleigh Baptist Association Woman's Missionary Union; Mrs. L. C. Horton, Assistant Director of Raleigh Baptist Association Woman's Missionary Union; Marse Grant, Editor of *The Biblical Recorder*, in charge of the press room; and Lamar J. Brooks, Wake Forest, Moderator of Raleigh Baptist Association.

9. Lamar J. Brooks spoke a few words of welcome to the messengers in behalf of the Baptists of the Raleigh Association.

10. President Bowen introduced James E. Bulman, Oak Ridge, Parliamentarian of the Convention.

11. Alton Strickland, a Councilman of the city of Raleigh and a Baptist active in his church and association, representing Mayor

Travis Tomlinson, extended a warm welcome to the messengers, recounting a number of significant and interesting events in the early history of Baptists in Raleigh, and referring to various points of interest in the capital city.

12. Joseph Stroud led the Convention in the singing of "We're Marching to Zion."

13. The Wake Forest University Choir sang "Come, Come Ye Saints" (arr. by J. Spencer Cornwall).

14. John Lewis, Raleigh, alternate to preach the Convention sermon, read Matthew 8:19-22 and led in prayer.

15. Mr. and Mrs. Fred Kelly, Winston-Salem, sang a duet, "How Beautiful upon the Mountains" (Harker).

16. Randall Lolley, Winston-Salem, delivered the Convention sermon on "Our One Tomorrow." How shall we face that one most crucial day? (1) *Let the dead past bury its dead.* Jesus is the origin of this way of life; yet we who claim him as Lord are tempted to grasp life at the wrong end, the safe, comfortable, known yesterday, rather than the dangerous and slippery tomorrow. We busy ourselves trying to defend the convention-oriented institutions which are the legacy from our Baptist past, when we ought to be trying to find out what God is doing *in the world*, and get busy doing that. (2) *Challenge custom; welcome change.* Christ's defiance of the established religious system, and the personal agony which it cost him, cry out to us that the substance of our gospel and our witness to it must be qualitatively preserved while every structure we have devised for proclaiming it must always be suspected, reviewed, inspected and revised. Through the creative application of the Axioms of Religion (E. Y. Mullins), Baptists can face any issue these times may demand. (3) *Dare the dark to reach the dawn; let them find our bones out yonder in the sun, with arms outstretched toward the great tomorrow.* Christ is the author of this view of life, and in this age of despair and disillusionment, in the church and in the world, we need to see again that the first century was such an age and the New Testament is a book of hope. The moral order is not falling apart; what is going to pieces is the immoral order, the false patterns by which we have shaped our lives. This is still God's world; we have our clues in Jesus Christ, and in him is our hope.

17. The benediction for the Monday evening session was pronounced by Frank Campbell, Statesville.

TUESDAY MORNING

18. The organ meditation was presented by H. Max Smith, Wake Forest.

19. The Convention was called to order by President Bowen and engaged in a period of worship, led by the Convention Choir under the direction of Charles S. Gatwood, Associate in the Department of

Church Music, and by Raymond Bryan Brown, Academic Dean of Southeastern Baptist Theological Seminary, Wake Forest, the first of four such devotional periods to be led by Dean Brown. Following the Choral Call to Worship, "God of Our Fathers" (James) by the Convention Choir, Joseph Stroud led the Convention in the singing of the hymn "Holy, Holy, Holy." Dean Brown led the invocation, and following the Choral Amen, the Convention sang, "How Firm a Foundation." Dean Brown read Genesis 3:1-13, 21-24, followed by a presentation by the Convention Choir of "God, Send Us Men" (Vick). Dean Brown's message was entitled "Where Are You?" This is the first question God asked man, and man is so misplaced today that it is the first crucial question he asks of us. God's freedom is the freedom of faith, but we mistake the freedom to obey him for the freedom to judge him. God calls because he never loses sight of man, even when we flee from him; the God of grace seeks man through Christ, calling us to cast down every idol in the human heart and trust in him. The Convention sang the hymn, "The Lord's My Shepherd," followed by a prayer of dedication led by Dean Brown.

20. President Bowen asked W. Perry Crouch, General Secretary-Treasurer of the Baptist State Convention of North Carolina, to recognize new pastors in the state. Upon his invitation, a number of new pastors came to the platform to give their names and places of service. President Bowen invited visitors to identify themselves and called attention to the microphones at various places throughout the auditorium.

21. The time for Miscellaneous Business having arrived, Claud L. Asbury, Wilmington, offered the following resolution, which was referred to the Committee on Resolutions:

Whereas separation of Church and State does not mean banishment of God from the public schools, and

Whereas our position as Baptists on the question of voluntary public school prayer has become uncertain in the eyes of some people.

BE IT RESOLVED that we clarify our position by hereby expressing our approval of voluntary prayer in the public schools.

22. Roger Sharpe, Raleigh, representing the Baptist Student Union of North Carolina offered the following resolution, which was referred to the Committee on Resolutions:

In response to the action of the honorable Dan K. Moore in initiating a commission to study the juvenile correctional program in the state of North Carolina, and in recognition of the importance of the physical and psychological health of juveniles in the development of responsible and intelligent citizens, and in Christian concern for the social conditions which have made, for some of our young citizens, the normal growth to adulthood strenuous beyond the normal degree, the Social Action Committee of the Baptist Student Union of North Carolina had proposed (August 28, 1968):

That the Social Action Committee and other interested persons be involved in an intensive study of the juvenile correctional institutions in our state, and, where needed, support legislative action in providing adequate facilities for caring for young delinquents in our state. We further suggest that the local campuses (and churches) study the possibility for working with local welfare agencies in providing big-brother, big-sister programs and/or foster homes for problem youngsters, and that this be done in cooperation with the state social action committee's emphasis on correctional processes for juvenile delinquency this year.

In undertaking to carry out this proposal, the following measures have been taken by the Social Action Committee of the North Carolina Baptist Student Union:

(1) Conferences have been held with Mr. Blaine M. Madison, state commissioner for the Board of Juvenile Correction, who has provided a basic orientation for this endeavor by supplying information concerning programs already at work, immediate needs which must be met, and channels whereby such action can be carried out.

(2) Members of the Social Action Committee have personally visited selected correctional institutions in the state and have discussed with the administrative personnel the problems and strengths of that institution.

(3) Contact has been made with various key persons involved in the juvenile rehabilitation programs of the state, including the Governor's Commission on Juvenile Correction.

(4) Baptist Student Union groups on campuses throughout the state have, at the request of the Social Action Committee, undertaken projects dealing with youngsters who have social, emotional, and academic problems, and have found the co-operating institutions to be most grateful for this assistance.

In our intensive study of the program of juvenile correction in the state of North Carolina, we have found the following things to be true:

(1) that the institutions in operation are providing an invaluable service to the citizens of North Carolina in the care and rehabilitation of juveniles guilty of misdemeanors.

(2) that although these institutions are operating remarkably well with their available resources, there remain many outstanding needs which must be met, among which are:

(a) public support of their operation, including re-education of those people who fail to recognize the potential productivity as effective citizens of graduates of a state training program.

(b) increased funds, allocation of which is contingent on the action taken by the state legislature of North Carolina on the Board's "B" budget proposal (*see addendum*).

(c) a program of religious and moral instruction in the individual schools, i.e. appointment of a campus chaplain.

(d) construction of more adequate living facilities with private or semi-private rooms rather than the presently existing ward or barrack type housing which is in use on several campuses.

We therefore recommend that the North Carolina State Baptist Convention adopt the following resolutions with an intention toward implementation:

(1) that the problem of juvenile correction be studied in each local community and that the Christian community therein be involved in programs directed toward the prevention and cure of those situations which initiate juvenile behavior problems.

(2) that insofar as these problems exist in a given area, the Christian community initiate programs which are concerned with the youngsters involved; e.g. providing recreation facilities, tutorial programs, foster homes, etc.

(3) that support of the proposed budget be shared with elected officials in the state legislature by means of letters and/or telephone calls toward the adoption of the "B" budget proposal of the State Board of Juvenile Correction.

(4) that the Baptist State Convention investigate the possibilities of providing religious counselors in the schools on the same basis as the programs for industrial, hospital, prison and military chaplaincy, possibly in conjunction with other denominational groups in the state.

We heartily endorse the action already being taken by denominational groups including the Baptists within the state in the interest of juvenile correctional programs.

ADDENDUM:

	1969-70	1970-71
II. Additional Professional Staff in the Schools	\$51,979	\$54,749

Justification

The Social Workers in the training schools have such a large caseload that it is almost impossible for them to do much one-to-one counseling. The "B" Budget Request provides one Social Worker for each seventy-five (75) students, or major portion thereof.

	1969-70	1970-71
III. 40-Hour Work Week	\$156,757	\$164,702

Justification

The Department has been trying to get to a 40-hour work week for all personnel. An appropriation in 1965 almost made that possible. Funds were made available for the employment of additional personnel so that the Department could go to a 40-hour work week on an annual basis. But this plan did not provide for vacations, holidays and sick leave. As a result, the Department has not been able to get the Cottage Parents on a 40-hour work basis. Most people do not want to work in Correctional Institutions any-

way, and when they learn that the work week exceeds forty hours, recruitment becomes increasingly more difficult. Provisions should be made for all the personnel to go to a regular 40-hour work schedule.

23. A motion was made to extend the time for Miscellaneous Business for ten minutes. The motion was seconded and carried.

24. Carlos Young, Shelby, offered the following resolution which was referred to the Committee on Resolutions:

Whereas, mental illness is so frequent and so complex that today in America many consider it to be the Number One Health Problem, and

Whereas, there has been so much prejudice, stigma, misunderstanding and rejection of those who have mental handicaps, and

Whereas, in our state there remains so great a need for many more Comprehensive Mental Health Centers with staffs of doctors, psychologists and psychiatric social workers, and

Whereas, there seems to be a rising incidence of mental illness and our pastors are spending more time counseling with the emotionally disturbed and their families than ever before,

NOW THEREFORE BE IT RESOLVED by the Baptist State Convention of North Carolina, in session at Raleigh, North Carolina, November 11-13, 1968,

(1) That we encourage our pastors to lead and our church members to accept the mentally ill in the same manner as they do a person with a physical illness and extend to them the same kindness, concern and sympathy, and

(2) That we encourage our churches and pastors to help remold public opinion so that the prejudice will be dissolved, that the walls of misunderstanding will be torn down, and that any stigma will cease to exist, and

(3) That we will encourage our Governor, our Lt. Governor and the members of our two state legislative bodies to provide the funds so that the North Carolina Department of Mental Health can provide Comprehensive Mental Health Centers in appropriate areas of our state so that each person will have mental health services available as near as possible to their homes, and

(4) That we will encourage our churches and pastors to join hands with the National Association for Mental Health and the North Carolina Association for Mental Health, as they promote better care for the mentally handicapped and better mental health for all North Carolinians through active involvement, and the Christian Principles that we are honest enough to be grateful; grateful enough to be generous; and generous enough to be useful.

25. D. P. McFarland, Raleigh, offered the following resolution which was referred to the Committee on Resolutions:

Whereas the liberalization of the control law in North Carolina to permit whisky-by-the-drink will result in the immediate increase in the number of outlets, and

Whereas North Carolina can expect the same results that other states have experienced who have authorized by-the-drink sales, in an increased per capita consumption, an increase in alcohol-related traffic accidents and deaths, and increased rates of alcoholism,

THEREFORE, BE IT RESOLVED, that the Baptist State Convention of North Carolina go on record as being opposed to any and all efforts to increase consumption of alcoholic beverages through legislation which would make more outlets for the sale of such beverages; specifically, we stand opposed to any type of whisky-by-the-drink legislation.

Furthermore, we reaffirm the historic Baptist position of promoting the alcohol-free way of life for those who find freedom in Christ Jesus.

26. Terry Nichols, Chapel Hill, offered the following resolution which was referred to the Committee on Resolutions:

As messengers to the 138th annual session of the North Carolina Baptist State Convention, we realize that:

(1) The Selective Service classification of "conscientious objector" (I-O, I-A-O, I-W) is a legal and viable alternative to combatant service in the armed services of the United States.

(2) A growing number of Baptist young men desire to serve the United States in a noncombatant or civilian capacity.

(3) A young man eligible for the draft can win status as a conscientious objector usually only with the support of his particular religious tradition and denomination.

(4) It has been difficult for young men with Southern Baptist affiliations to gain C. O. status because Southern Baptists have heretofore provided little or none of the needed support.

(5) Other denominations and church bodies in the United States provide support and guidance for men who choose, because of conscience, to serve in a noncombatant or civilian capacity.

(6) We, as Baptists, strongly affirm and support the right of every believer to be his own priest in matters of faith, conscience, and practice, including those who are forced to deal with the question of military service.

Therefore, as messengers to this convention,

(1) We affirm the right of men who, because of faith or conscience, cannot accept combatant responsibilities in the military, but who choose, instead, noncombatant or civilian duties, as prescribed by law.

(2) We urge Baptist associations and churches in North Carolina

to provide the following for men eligible for the military draft:

(a) information on the legal alternatives to military service.

(b) counseling for individuals contemplating conscientious objector status.

(c) written support, if necessary, for those who choose to serve in a noncombatant or civilian capacity.

President Bowen expressed great appreciation for the dedication and diligence of the employees of the Baptist State Convention and of our colleges, requesting earnest prayer in their behalf. He said that our challenge is to give the whole gospel to the whole world. This requires of us that we give the gospel to people where they are—where the action is. It requires that we ourselves experience the gospel and be enthusiastic in its presentation. It requires that we come to grips with the problems of races, classes, poverty and crime. It requires that we love each other, that we communicate with each other, and work together in our churches and in our Convention.

Whereas this state has been denied the right to vote on this issue since the early 1930's,

BE IT THEREFORE RESOLVED that the Baptist State Convention of North Carolina, meeting in Raleigh in its 138th session, November

11-13, 1968 go on record calling for the 1969 General Assembly of North Carolina to call for a state-wide referendum on Alcoholic Beverages in 1969 to give the entire state the right to vote on this vital social, moral and spiritual issue.

86. The Convention was called to order by First Vice-President David Britt and engaged in a period of worship led by the Mars Hill College Choir under the direction of Robert Rich, and by Dean Raymond Bryan Brown, the second of four such devotional periods under his direction. Following the choral call to worship,

"Battle Hymn of the Republic" (arr. Ringwald), Joseph Stroud led the Convention in the singing of the hymn "God of Grace and God of Glory." Dean Brown led the invocation, and the congregation sang "Lord, I Want to Be a Christian." Dean Brown read Genesis 4:1-16, followed by a presentation by the Mars Hill College Choir, "Pensive Dove" (arr. by Shaw-Parker). Dean Brown's second message was entitled, "Where Is Your Brother?" By asking, "Am I my brother's keeper?", man seeks to absolve himself of responsibility, but God's question, "Where is your brother?" makes it clear we must be right with our brother or else we shall not be right with God. God's question comes to Cain in the world and not in the church; he tried to use the altar for selfish ends, and he failed. But there is hope: the altar of God is the healing place for the whole world. Faith in God brings us into his family and marks us with his love. Dean Brown led a prayer, and the Mars Hill College Choir sang a choral response, "Let Nothing Ever Grieve Thee" (Brahms).

87. Recording Secretary Lamar J. Brooks made announcements and acknowledged fraternal greetings from Baptists in the Philippines, Louisiana, and South Carolina. At his request, a motion was made, seconded, and carried to authorize fraternal greetings to seventeen Baptist State Conventions meeting simultaneously with ours. 94. The Mars Hill College Choir sang "Death Shall Not Destroy" (arr. by Shaw-Parker) and "Ride the Chariot" (arr. by Smith).

95. O. L. Sherrill, Raleigh, Executive Secretary of the General Baptist Convention of North Carolina, introduced William H. Borders, pastor of the Wheat Street Baptist Church, Atlanta, Georgia. His address was on "What Is Religion?" It is church membership, it is brilliantly conceived philosophy, it is a denomination, but it is not synonymous with any of these—it is more than any of these. "What is religion? In its cry for help, it's a prayer; in its sociology, it's a brotherhood; in its ethic, it's the good life; in its upward reach, it is God; in its life after death, it is immortality; and in its pragmatism, it is meeting the needs in the lives of the people. . . . Religion at its rib-rock bottom foundation stone is a personal experience—something that happens to you . . . and when it happens you know it, and nobody in the world can dispute your experience." Those who heard this address are well aware of the inadequacy of this summary and know what is meant by the statement "the medium is the message."

96. The benediction for the Tuesday evening session was pronounced by W. E. Brandon, Raleigh.

WEDNESDAY MORNING

97. President Bowen called the session to order and requested prayer for former Convention President and Recording Secretary C. B. Deane, who is seriously ill, and for Second Vice-President Cecil Sherman, Asheville, whose wife is ill.

98. The Convention Choir, under the direction of Charles S. Gatwood, sang the choral call to worship "Spirit of God, Descend" (Atkinson; arr. by Reynolds). Dean Brown of Southeastern Baptist Theological Seminary led the invocation, and Joseph Stroud led the Convention in singing, "Let All the World in Every Corner Sing." Dean Brown read Psalm 42, and the Convention sang, "To God Be the Glory." Dean Brown's third message, in the series of four, was entitled, "Where Is Your God?" We must confess that at times God does seem very far away, and we do not know which way to turn to find him. But the God who creates and sustains and redeems—lives! (1) Our God is behind us; the memory of his providence is a boon to faith. (2) Our God is beside us; faith admits to the reality of the darkness, but experiences his sustaining presence. (3) Our God is ahead of us; most of us want to be homesteaders, but God wants pilgrims — he demands that we make the journey of faith. The Convention Choir sang, "The Lord Is My Light" (Allitson; arr. by Samuelson), followed by a prayer of dedication and a choral response, "Faith in Thy Name" (Gibbons; arr. by Reynolds).

It shall attend conferences and seminars where these matters are being discussed. It shall report to the Baptist State Convention on any developments in this area and otherwise keep our people informed. Whereas the State of North Carolina is going through a transition period between Governors, and,

163. Stuart Sprague, Durham, read a resolution adopted by the Baptist Student Union of North Carolina, and then made a motion that in the new By-laws adopted this morning, in Article VII, B, 2 [see page 106 of the Annual], there be inserted following the words "Institutions, and," the following: "one member elected annually from the Baptist Student Union of North Carolina, and." Norfleet Gardner served our denomination so unselfishly and in so many various ways, and for the last several years has served as Recording Secretary, a position which he was filling at the time of his home going, and because of our love for him and our appreciation of his wise leadership, I move that we dedicate our 1968 Annual to his memory. The motion was seconded and carried.

167. L. D. Holt, Raleigh, rose to make a motion that the Annual also be dedicated to the memory of Mrs. W. Perry Crouch; it was pointed out that this was done last year.

168. E. Lowell Spivey, Shelby, Chairman of the Committee on Memorials, presented the report [see pages 171-172 and 181 of the Annual]. Joe Hough, Norwood, led the Convention in a prayer of thanksgiving for the lives of those who have labored among us.

173. President Bowen announced that the Committee of 20 had presented its report earlier.

174. Joseph Stroud led the Convention in singing "When We All Get to Heaven."

175. The time having come for the report of the Resolutions Committee, T. Robert Mullinax, Cary, Vice-Chairman of the Committee, expressed appreciation for the work of other members of the Committee, reading the entire list, as found in Item 27 of these proceedings.

176. T. Robert Mullinax made a motion to adopt the following resolution: That the Convention express its deep appreciation to the following:

(1) To the pastors and churches of the Raleigh Association for their hospitality to all Convention messengers,

(2) To the staff and management of the Raleigh Memorial Auditorium,

(3) To the City of Raleigh for their courteous assistance during the Convention,

(4) To the Convention Arrangements Committee for a well-conducted and helpful program,

(5) To President Claud Bowen and other Convention officers for their fair and considerate leadership,

(6) To our college choirs and other musical groups for their help during worship periods. The motion was seconded and carried.

177. T. Robert Mullinax moved the adoption of an amended form of the resolution on alcohol by the drink, submitted by D. P. McFarland [see Item 25]. He said the Committee deleted the last paragraph of this resolution and substituted a new paragraph; the resolution now reads:

Whereas the liberalization of the control law in North Carolina to permit whiskey by the drink will result in the immediate increase in the number of outlets, and

Whereas North Carolina can expect the same results that other states have experienced who have authorized by-the-drink sales in an increased per capita consumption, and increase in alcohol-related traffic accidents and deaths and in increased rates of alcoholism,

THEREFORE, BE IT RESOLVED,

(1) That the Baptist State Convention of North Carolina go on record as being opposed to any and all efforts to increase consumption of alcoholic beverages through legislation which would make more outlets for the sale of such beverages; specifically, we stand opposed to any type of whiskey-by-the-drink legislation, and

(2) That it may now be timely to consider a statewide referendum regarding the repeal of the existing ABC system, and that the Council on Christian Life and Public Affairs be asked to give study to this matter and if feasible to proceed with the necessary steps to obtain such a referendum.

The motion was seconded.

178. W. W. Finlator, Raleigh, spoke concerning the resolution and expressed his strong personal reservations about the statewide referendum.

179. The Convention voted on the amendment offered by the Resolutions Committee, and it was carried. The resolution, as amended, was then adopted.

180. Upon the advice of Parliamentarian Bulman, T. Robert Mullinax made a motion that since the intent of the resolution presented by Woodrow Robbins [see Item 74 of the Proceedings] was included in the action just taken [see Items 177-179], we now agree not to consider the Robbins resolution. The motion was seconded and carried.

181. T. Robert Mullinax made a motion to amend the resolution on voluntary prayer in public schools, submitted by Claud L.

Asbury [see Item 21], by substituting in lieu of it the following statement:

We recognize the continuing concern of the members in our churches over the various areas of separation and connectedness in the relation between church and state. One area of particular reference is the practice of prayer in public schools.

We recognize that this area of our concern affects Baptists theologically, doctrinally, historically, and ecclesiologically.

We therefore urge a continuing review of this area of our concern, hopefully through the proposed Council on Christian Life and Public Affairs. The motion was seconded.

182. Claud L. Asbury, Wilmington, spoke in behalf of his original resolution.

183. W. W. Finlator, Raleigh, spoke in favor of the substitute motion.

184. Andrew P. Webb, Carolina Association, requested a re-reading of Asbury's resolution, and then spoke in behalf of it.

185. Vote was taken by uplifted hand. President Bowen announced that the substitute motion of Mullinax was carried. Parliamentarian Bulman called for a division of the body. Upon the basis of a standing vote, the motion made by Mullinax, to amend by substituting, was carried.

186. T. Robert Mullinax made a motion to adopt the resolution concerning mental health submitted by Carlos Young [see Item 24]. The motion was seconded and carried.

187. T. Robert Mullinax in behalf of the Committee on Resolutions, commended the Social Action Committee of the Baptist Student Union for their splendid research, and made a motion to adopt the resolution which had come from them on juvenile correction [see Item 22]. The motion was seconded and carried.

188. T. Robert Mullinax presented the resolution brought by Tom Freeman [see Item 144], as follows: "I move that we, the messengers of the Baptist State Convention, express our approval and encouragement of the effort now being made to raise funds to erect an adequate religion building at Campbell College, to replace the one that burned last summer." He then made a motion to amend this resolution by adding the following: "We recognize that the financial plan of the Convention calls for the support of the Cooperative Program and seven special offerings. One of these special offerings is the Baptist College Day Offering; therefore, this motion is not directed to the churches but to individuals of our Convention." The motion was seconded and carried. The resolution, as amended, was adopted.

189. T. Robert Mullinax made reference to the resolution presented by Corbin Cooper concerning the North Carolina Good Neighbor Council [see Item 142], and because of a news story which came after the resolution was first presented, he made a motion that it be adopted in an amended form, as follows:

Whereas serious racial tension continues in areas of the state such as Swan Quarter and Hillsborough, and

Whereas other areas are potentially explosive, and

Whereas the State of North Carolina is going through a transition period between Governors, and

Whereas this body has demonstrated its interest in and support of good race relations in numerous ways.

THEREFORE BE IT RESOLVED

(1) That this Convention commend Governor Dan K. Moore for his action announced today in appointing Dr. James Taylor of Durham as acting chairman of the Good Neighbor Council and the appointment of Robert S. Harrell of Cary as acting assistant to the chairman, a post he formerly held.

(2) That we call on Governor-Elect Robert Scott and the 1969 General Assembly to strengthen and undergird the work of the Good Neighbor Council with a more adequate staff and greater financial support.

(3) That the recording secretary of this Convention write a letter to the family of the late David S. Coltrane expressing sympathy and condolence in the passing of this great Christian layman who served for five years as chairman of the Good Neighbor Council. The motion was seconded and carried. The resolution, as amended, was adopted. [Note: The letter to the family of the late David S. Coltrane was written on November 19, 1968—LJB.]

190. T. Robert Mullinax made a motion to amend the resolution on conscientious objection, submitted by Terry Nichols [see Item 26], by substituting in lieu thereof the following:

We recognize the historic practice and support by Baptists of the responsibility of the individual in matters of conscience. We continue to insist that the individual Christian's conscience is not the slave of personal whim and desire, but rather is to be subject to the Lordship of Christ.

We recognize the right of men, who, because of faith or conscience, cannot accept combatant responsibilities in the military, but who choose, instead, noncombatant or civilian duties, as prescribed by law.

The motion was seconded.

191. Terry Nichols spoke concerning omissions in the amended version and then made a motion to amend the substitute motion of the Resolutions Committee as follows:

We urge Baptist Associations and churches in North Carolina to provide the following for men eligible for the military draft:

(a) information on the legal alternatives to military service.

(b) counseling for individuals contemplating conscientious objector status.

(c) written support, if necessary, for those who choose to serve in a noncombatant or civilian capacity.

192. Jack Mansfield, Raeford, spoke against the Nichols amendment.

193. Nichols spoke again in favor of his amendment.

194. John Lewis, Raleigh, was denied the floor until someone on the other side of the issue was heard.

195. Francis Whitmire, Morganton, moved that the entire matter be tabled. After being advised that this was not in order since there would be no other business session at this Convention, Whitmire changed his motion to the effect that the entire matter be indefinitely postponed.

196. Frank Wood, East Bend, raised a point of order.

197. It was answered, and indefinite postponement was ruled in order. The motion was seconded. President Bowen explained that indefinite postponement would include the entire matter—amendment and main motion.

198. Warren Carr, Winston-Salem, rose to a point of order, expressing the view that Whitmire was not specific enough for the Parliamentarian to rule on his motion.

199. Whitmire restated his motion.

200. President Bowen announced that the Parliamentarian after careful consideration of the Rules of Order, had advised him that neither tabling nor indefinite postponement would be in order at this point, and he so ruled.

201. After this was questioned by an unidentified messenger, the Parliamentarian gave a very thorough explanation as to why both tabling and indefinite postponement were out of order.

202. Another unidentified messenger asked if he could make a motion that the matter not be considered at all.

203. The president, with the advice of the Parliamentarian, informed the messenger that this could not be done. Voices were heard calling for the question, but since no one moved the previous question, the President allowed further discussion, recognizing John Lewis who had previously sought the floor.

204. John Lewis, Raleigh, spoke in favor of the Nichols amendment, stressing the idea that the amendment asked of us nothing illegal.

205. Robert Tenery, Elkin, spoke in opposition to the Nichols amendment.

206. Jack Halsell, Chapel Hill, spoke in favor of the Nichols amendment.

207. Aubrey Tomlinson, Louisburg, spoke in opposition to the Nichols amendment, pointing out that the Baptist Student Union Convention had last week rejected a very similar statement.

208. Stuart Sprague, Durham, gave some words of explanation concerning the action of the Baptist Student Union Convention.

209. H. L. Ferguson, Charlotte, moved to refer this entire matter

to the newly-established Council on Christian Life and Public Affairs for them to report back to the Convention next year. The motion to refer was seconded.

210. John Lewis expressed the hope that we would not merely commit the matter to the Council on Christian Life and Public Affairs but take action now and then ask the Council to continue to study it and bring further recommendations.

211. W. W. Finlator spoke in agreement with Lewis' view, pointing out that other denominations already have what the Nichols amendment includes.

212. Ferguson's motion to refer carried.

213. B. E. Morris, Charlotte, led the benediction.

WEDNESDAY EVENING

214. President Bowen recognized Joseph Stroud, who presented H. Max Smith, Wake Forest, organist for the Convention; and Charles S. Gatwood, Associate in the Church Music Department of the Baptist State Convention.

215. The combined choirs from Raleigh churches, under the direction of Charles Gatwood, sang "Almighty God of Our Fathers" (Glaser). Joseph Stroud led the Convention in singing, "O For a Thousand Tongues to Sing." Following a prayer led by Dean Raymond Bryan Brown, Joseph Stroud led the Convention in singing, "The Solid Rock." Dean Brown read John 6:53-69, and the combined choirs sang, "Christ of the Upward Way" (Mueller). Dean Brown's fourth message of the series was entitled, "To Whom Shall We Go?" Something has happened to us through him that we can only call divine. We have known him—no, he has known us. We cannot explain it—we can proclaim it. When he asked, "Will ye also go away?", he was testing the willingness of his disciples to count the cost and pay the price, not only to receive his sacrifice, but to share it. When Peter responded "To whom shall we go?", he revealed that he knew no other would do; others had something, but they did not have life. "To Whom Shall We Go?"—there is no need to go when we have come to God in Christ.

216. The Convention sang "Walk Ye In Him," Dean Brown led in a prayer of dedication, and the choir sang a choral response: "Let us, like them, without a word, rise up and follow Thee."

217. Donald Greene, Hickory, reported on the Laymen's Crusade in Brazil last July, including accounts of visits with Baptist missionaries and in Baptist institutions.

218. Joe Lennon, Aberdeen, told about the Congress on Evangelism in Rio de Janeiro.

219. Jimmy Chapman of Wake Forest University told about the Baptist World Youth Congress held last summer in Berne, Switzerland.

220. Diane Eubanks of Mars Hill College also reported on the Baptist World Youth Congress and the impact it made upon the lives of so many young people.

221. Joseph Stroud led the Convention in singing "Revive Us Again."

222. John Williams, Raleigh, a student at the North Carolina School of the Arts in Winston-Salem, sang "Lord, God of Abraham" (Mendelssohn).

223. Ray E. Roberts, Executive Secretary of the State Convention of Baptists in Ohio and a member of the Central Coordinating Committee for the Crusade of the Americas, addressed the Convention on evangelism, especially through the Crusade of the Americas, using Romans 9:2-3; 10:1 as a basis for his message. Southern Baptists have an evangelistic-oriented program which we can share with others. We have more open doors of opportunity and more dedicated leaders than ever before. We also have some things Paul had: (1) assurance of salvation, (2) singleness of purpose, (3) Jesus Christ as our one message. But Paul had something we do not have: great heaviness of heart, anguish, broken-hearted concern for our people as revealed in Romans 9-10. Without this the Crusade of the Americas would just fizzle out and be a laughing-stock; with this we can make up for lost time in winning people to Christ.

224. President Bowen urged participation in the Crusade of the Americas.

225. President Bowen presented 2nd Vice-President elect Clyde Tucker, High Point, and requested prayer for 1st Vice-President David Britt whose son is in the hospital.

226. A motion to adjourn was made, seconded and carried, and following the benediction which was pronounced by B. R. Hiatt, High Point, the one hundred thirty-eighth annual session of the Baptist State Convention was adjourned.

BAPTIST STATE CONVENTION

TO THE

ONE HUNDRED THIRTY-EIGHTH ANNUAL SESSION
MEMORIAL AUDITORIUM
RALEIGH
November 11-13, 1968

I. FOREWORD

The year 1968 has seen our Baptist work level off, and begin to advance again. Our Cooperative Program receipts have had a steady increase over last year. Currently this increase is about 6 per cent, and I hope it will reach 8 per cent by the end of this year. Special offerings have had a 15 per cent increase over last year. State, Home and Foreign Missions have shown nice increases, with the larger amount being the Lottie Moon Offering for Foreign Missions. Our churches gave 14.84 per cent of their receipts to mission objects and 85.16 per cent for local objects such as staff salaries, buildings, et cetera.

I am fully conscious that none of our gains are as much as we would like. Nevertheless, we do show an increase of 2.15 per cent in Vacation Bible Schools and 4.6 per cent increase in baptisms. Of course, we increased in membership and total members of churches. Sometime during 1968 we will pass the one million mark in total church membership. It is interesting to note that we remain second among the states of our Southern Baptist Convention in number of churches, total number of members, Sunday School enrollment, mission gifts and total figures, and we are third in baptisms.

As we approach 1969, our minds turn toward the goal of all Southern Baptists, that of "Evangelism and World Missions." It is our hope that most of our churches will participate in the Crusade of the Americas in 1969. This could be the impetus that would start many of our churches upward in their spiritual life and outward service. In September of 1969 we will have a series of World Mission Conferences across our state.

Our institutions are all vigorously working at their tasks. Most of them are enlarging their work, raising capital funds from individuals and foundations. They continue to depend on the Cooperative Program to undergird their operating budgets.

During the year, Rev. Robert Hyatt resigned as Baptist Chaplain at Duke University and Banks Williams resigned as Building Superintendent. Miss Miriam Robinson resigned as Executive Secretary of Woman's Missionary Union after several years of effective service in North Carolina to accept a place on the faculty of Ward Belmont College in Nashville, Tennessee.

Several new staff members were added that have greatly strengthened our staff. Rev. Gene Phillips joined the Church Training Department from the Pastorate of Guilford Baptist Church. Rev. Dick Brown joined the Sunday School Department from the staff of the Snyder Memorial Baptist Church of Fayetteville. Rev. Luther Osment joined the Brotherhood Department from the Reed Memorial Baptist Church of Asheville. Rev. Jim Greene became Secretary of the Student Department, coming from a background of Foreign Mission service, and previous work with the Student Department. Rev. Burrell Lucas joined the staff of the Sunday School Department coming from the North Roanoke Baptist Church of Roanoke, Virginia. These men are all well trained for their tasks,

and bring experience and Christian dedication to their work.

Our greatest tragedy occurred the evening of October 2, 1968 when Dr. Claude White was killed in a car wreck near the Baptist Building. Dr. White had served as Secretary of the Sunday School Department since June, 1967, and was doing an excellent work. Our staff was shocked at this tragic death, as were our Baptist people across the state. The danger of the highways is one of the hazards of work that requires constant travel. Please join us in our concern and prayer for this fine family.

This has been a difficult year for me, since the death of Mrs. Crouch. Nevertheless, I am grateful for good health, and the privilege of service for our Lord. I am optimistic about the future. We hope to strengthen every area of our work during 1969. We are grateful for the new auditorium at Caswell and the new building now being completed at Fruitland.

Only recently have we elected W. C. Lamb to the place as Director of the Division of Evangelism to succeed Dr. Julian Hopkins when he retires at the end of 1969. This enables us to plan the 1970 Evangelistic Conference and continue a strong evangelistic emphasis through all of our work.

I pledge you my best as we turn our hearts and minds toward 1969.

W. PERRY CROUCH

Executive Secretary - Treasurer

II. GENERAL BOARD REPORT AND RECOMMENDATIONS

GILMER CROSS

As President of the General Board, I want to express my personal gratitude to Mr. John Lawrence, Vice President of the General Board, for bringing this report to you in my absence. Though I am in the Philippines engaged in the New Life Crusade for our Foreign Mission Board, I shall be thinking of you and remembering the Convention in my prayers.

It has been my privilege to serve two years as President of the General Board and its Executive Committee, and these have been excellent years indeed. I am truly grateful for the excellent work of the staff, the members of the Executive Committee and every member of the General Board. During these two years our Co-operative Program has shown a steady increase and the special offerings have increased each year.

Last year we reported the action of the General Board in designating the gift of Miss Rachel E. Hatch for application toward the construction of an auditorium at Caswell to be named the Rachel E. Hatch Memorial Auditorium. The auditorium was finished and dedicated in July of this year. The estate has been settled and the total gift amounted to \$212,305.08 less expenses of \$15,442.45 or a net amount of \$196,862.63 to be applied to the auditorium and furnishings. We are proud of the auditorium and we believe it will serve N. C. Baptists for many years to come.

In January we received a report that the first edition of 1,000 copies of the *History of North Carolina Baptists* by Dr. M. A. Huggins had been sold, with additional orders to be filled. A second edition of 1,000 was authorized and printed. Two or three hundred copies of this second edition are still available through the Baptist Book Store.

At the January meeting of the General Board, various committees were named, including the Executive Committee. The Executive Committee is composed of the chairmen of all committees of the General Board, the President of the General Board, Vice President of the General Board, President of the Convention, first and second Vice Presidents of the Convention, and five members at large. The General Secretary is an ex-officio member.

The names of the Executive Committee members are as follows:

Gilmer Cross, Chairman

John Lawrence, Vice Chairman

Claud Bowen, President, BSC

David Britt, First Vice President, BSC

Cecil Sherman, Second Vice President, BSC

Bill Snyder, Chairman, Stewardship Committee

James Cammack, Chairman, Church Programs Committee

Ernest Holt, Chairman, Evangelism Committee

James Potter, Chairman, Missions Committee

Robert Simms, Chairman, Christian Higher Education Committee

John Stone, Chairman, Social Services

Francis Chesson, Member-at-large (resigned)

E. J. Prevatte, Member-at-large

Charles Storey, Member-at-large

Troy Hamrick, Member-at-large

C. A. Kirby, Member-at-large

At the January meeting, Mr. Spencer, our Comptroller, announced that during the calendar year of 1967 we received \$5,-989,414.79 for the Cooperative Program and \$3,403,322.07 for special offerings, or a total of \$9,392,736.86 for mission causes.

The Missions Committee made the report showing appropriations for 1968.

At the February meeting of the Executive Committee \$1,000 was granted for a part-time student secretary for Asheville-Biltmore College from June until December. Eighty dollars per month was granted for a part-time associational missionary in the Alleghany Association.

During the year we approved the following loans to churches for repairs or new construction:

1. \$5,000 Sugar Mountain Baptist Church, Avery Association
2. \$5,000 Chimney Rock Baptist Church, Green River Association
3. \$4,000 South Laurinburg Baptist Church, Pee Dee Association
4. \$5,000 Faith Olive Baptist Church, South Mountain Association
5. \$3,000 East Franklin Baptist Church, Macon Association

At our March meeting, we took notice of Convention action of last year calling for a special committee to study the merit of establishing a Christian Life Division of our General Board. This action called for the General Secretary, the Chairman of the General Board, the Chairman of the Christian Life, Public Affairs and Christian Action Committees and three members at large from the General Board to comprise this committee. The Executive Committee named our retiring Convention President, Dr. Carl Bates, the current President, Dr. Claud Bowen, and the First Vice President, Judge David Britt to this committee. The committee did their work and brought their report to the July meeting of the General Board. The General Board discussed and approved the report and it is included in our list of recommendations to you.

In our May meeting the Executive Committee interviewed and elected the Reverend James Y. Greene as State Student Secretary to succeed Dr. Bill Smith, who resigned to accept an appointment as Chaplain at Richmond, Virginia.

The committee also interviewed and elected the Reverend Gene Phillips as an associate in the Church Training Department, Mr. Luther Osment, an associate in Brotherhood and Dick Brown and Burrell Lucas as associates in the Sunday School Department. All of these men were filling vacancies caused by resignations to accept other work.

We took notice of the necessity for long range planning in all of our work, and elected W. C. Lamb as Director of the Division of Evangelism beginning January 1, 1970. This action makes it possible for Mr. Lamb to begin planning the 1970 Conference on Evangelism and the '70 Onward Emphases in evangelism. Dr. Julian Hopkins will continue to serve as Director of the Division until December 31, 1969, at which time he reaches the age for automatic retirement.

The Executive Committee also elected the Reverend David May as Student Chaplain at Duke University. Mr. May was serving as Pastor of the First Baptist Church of Blackstone, Virginia.

The Committee heard a good report from the Assemblies Committee and approved a recommendation to air-condition the motel rooms at Caswell, purchase a needed pick-up truck and begin preparation toward a family camping or trailer park. The committee also approved suggested improvements for family camping facilities at CaRAway.

We have considered several requests from our colleges to borrow money, and these are included in our recommendations.

We have received a request from the General Baptist Convention asking us to consider helping them provide an Annuity Program for their ministers. We believe this is a way we can render valuable assistance to our Negro brethren, and a recommendation is included for your consideration.

Our Cooperative Program receipts are currently running 7.63 per cent ahead of last year, and we hope they will increase even more by the end of the year. Our proposed budget next year re-

flects a 3.1 per cent increase over 1968, and we believe it is a well planned budget. The Budget Committee Chairman will have more to say about it later.

Our new building at Fruitland Bible Institute is nearing completion and we plan a dedication service November 21, 1968. This building will increase the ability of the faculty of the institute to give excellent training to the approximate 200 men who will attend the sessions during the year.

We are listing the personnel changes that have occurred during the year. This is the usual turn-over. The exception was the tragic death of Dr. Claude White, Secretary of our Sunday School Department since June, 1967. Dr. White had spoken at Erwin Baptist Church on Wednesday evening October 2, 1968 and was on his way home when the car accident occurred on Downtown Boulevard. Dr. White was well trained for his task and was doing an excellent work. He will be much missed by his family, his associates and our Baptist people in several states. A special memorial service was held in connection with our October meeting of the General Board.

Our General Board took special notice of the Crusade of the Americas, and urged every church to join in the emphasis on evangelism and world missions during 1969. The Board heard Rev. W. C. Lamb outline some of his plans for increased emphasis on evangelism in the years '70 Onward. We believe evangelism has been an important phase of our work, and must continue to be a vital part of all we do in the future.

Although we do not elect the WMU Secretary, we are happy to take note of the recent election of Miss Sara Ann Hobbs to this position. The WMU staff members work closely with our Division of Church Programs.

We commend the colleges and social service institutions for their excellent reports both of capital improvements and increased services. We are grateful to the *Biblical Recorder* for its excellent coverage of all of our work.

During the year we have shown increases in total members of churches, in total membership in Vacation Bible Schools, in baptisms and in mission gifts. During this year we will pass the one million mark in total membership. For all of these things we are grateful. We believe our Baptist work is in good condition. However, our needs in North Carolina are growing each year. Our increased population and shifting population, the increase in problems in our cities, increase in juvenile crime, and the enlarging of resort areas have brought new needs and responsibilities before us. To help meet these increasing needs, we are recommending an increase in the State Mission goal for 1969. About one fifth of the people of North Carolina are members of our Baptist churches. This puts a major moral and spiritual responsibility upon us. We challenge our churches to increase their offerings for the Cooperative Program and the various special offerings for 1969.

RECOMMENDATIONS OF THE GENERAL BOARD TO THE
BAPTIST STATE CONVENTION

I. Election of Secretary and Assistant Secretary

During the past year, we lost by death our very efficient Recording Secretary of the Convention, Dr. Norfleet Gardner. We therefore recommend that Rev. Lamar Brooks be elected to this position.

We also recommend that our Constitution be amended to provide for an Assistant Recording Secretary in case of illness or death during the Convention or the year following. We recommend Mr. Ted Williams, Secretary of the Department of Statistics and Survey, as Assistant Recording Secretary.

II. Recommendation concerning Constitutional changes of the Baptist Foundation

Mr. Gordon Maddrey, Secretary of the Baptist Foundation, recommended the Constitution be changed as follows:

1. The original Article I, Section 1, of these By-laws read as follows: "Regular meetings of the Board of Directors of the North Carolina Baptist Foundation, Incorporated, shall be held at the office of the corporation on the second Thursday in January and September of each year."

Recommended to read as follows:

"Regular meetings of the Board of Directors of the North Carolina Baptist Foundation, Incorporated, shall be held at the office of the corporation on the second Thursday in January and September of each year, provided that another time and place for any such meeting may be fixed by a majority vote of the Executive Committee."

2. Article III, Section 2 to be amended as follows:

Strike the entire section, put in lieu thereof the following language:

"The First Vice-Chairman shall succeed the Chairman in case of a vacancy by death, resignation, or otherwise. The Second Vice-Chairman shall succeed to the duties of the First Vice-Chairman."

III. Request of Gardner-Webb College to go to four year status

In keeping with the function of the Council on Christian Higher Education, a request from Gardner-Webb College that they be allowed to go to four year status was referred to the Council for study and recommendation. The Council named the following committee to make a special study of this request: Forrest Hunt, Chair-

man, David M. Britt, Ralph M. Lee, Hayne Rivers, James Ralph Scales, Ben C. Fisher, ex-officio, and R. N. Simms, Jr., ex-officio. This committee made careful study into the matter and made a recommendation to the Council.

The Council on Christian Higher Education sent their recommendation to the Executive Committee for their study and approval. At the July meeting of the General Board the Executive Committee joined the Council in recommending that the General Board endorse the recommendation of the Council on Christian Higher Education and present to the Convention the following recommendation:

"The General Board joins the Council on Christian Higher Education recommending to the Convention that Gardner-Webb be allowed to move toward four-year status when in the judgment of its trustees and administration qualifications for accreditation can be reached."

This recommendation is based on the validity of the committee report that because of the growing number of community two year colleges in the area, and because of the strong support of the Baptist people and others in the area for a four year college that Gardner-Webb should be allowed to proceed to four year status when the Trustees believe they are ready to meet requirements for accreditation.

IV. *Requests to Borrow*

1. Chowan College

We recommend that the request of Chowan College to borrow a sum not in excess of FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$550,000) to be used for constructing a new science-engineering building be adopted.

Resolution of

CHOWAN COLLEGE BOARD OF TRUSTEES

General Board of the Baptist State Convention of North Carolina

October 16, 1968

Whereas, the Board of Trustees of Chowan College finds it advisable and necessary, in order that such institution should best carry on its work to serve a student body of approximately 1,350-1,500, to borrow the sum of FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$550,000.00) to be used for purposes of construction of a new science-engineering building for said college, and

Whereas, it is the opinion of the said Board of Trustees that it will have funds coming to it for capital purposes which will be sufficient to liquidate said loan over a period not in excess of twenty (20) years, and

Whereas, it is anticipated by Chowan College that due to the construction schedule of said building and the repayment schedule of loans now outstanding that said college will not owe at any time, including self-liquidating loans, a sum in excess of THREE MILLION DOLLARS (\$3,000,000.00)

NOW THEREFORE, BE IT RESOLVED by the Board of Trustees of Chowan College:

1. That Chowan College borrow a sum not in excess of FIVE HUNDRED FIFTY THOUSAND DOLLARS (\$550,000.00) to be used for the purpose of constructing a new science-engineering building at said institution.

2. That the sums actually borrowed, together with the interest thereon, shall be repaid over a period not in excess of twenty (20) years, the payment of principal and interest to be made in annual, quarterly or monthly installments.

3. That the proper officers of Chowan College be and they are hereby authorized and empowered to execute, or cause to be executed, in the name of said college, a note or notes and/or bond or bonds evidencing an indebtedness incurred under the authority of this Resolution and also to execute or cause to be executed, in the name of said college, a mortgage or mortgages and/or deed of trust or deeds of trust upon the lands on which said new science-engineering building shall be erected, together with the approaches thereto, provided, however, that such mortgage or deed of trust shall not in any way encumber any other property owned by Chowan College.

4. That no part of the indebtedness which may be incurred by Chowan College under the authority of this Resolution shall in any respect be deemed or held to be an indebtedness or obligation of the Baptist State Convention of North Carolina, and neither the Baptist State Convention of North Carolina nor its General Board shall assume any responsibility whatever for the repayment of such loan or any interest thereon.

5. That the Baptist State Convention of North Carolina at its next regular session be requested to authorize Chowan College to borrow not in excess of the sum above mentioned upon the terms and for the purpose herein set out.

2. Gardner-Webb College

We recommend that the request of Gardner-Webb College to borrow a maximum of \$300,000 for the construction of the J. R. Dover, Jr. Memorial Chapel be adopted.

Resolution of

GARDNER-WEBB COLLEGE

To the General Board of the Baptist State Convention of North Carolina, October 16, 1968

Gardner-Webb College is in the process of completing an expansion program that started in 1964. The final building in this program is to be the J. R. Dover, Junior, Memorial Building. This building will contain a Chapel and B.S.U. Department. The Dover Family has contributed freely to the Gardner-Webb Expansion Program. Therefore, the Trustees of the College present the following Resolution to the Baptist State Convention of North Carolina.

Whereas, Gardner-Webb College is in the process of completing a very successful expansion program, and

Whereas, The College needs a Chapel and Baptist Student Union Department, and

Whereas, The Dover Family has shown great faith in the College by contributing monies for the Chapel and the same faith has been expressed by Mr. T. R. Hendrix, Sr. by giving monies for the B.S.U. Department

NOW, THEREFORE, BE IT RESOLVED by the Baptist State Convention of North Carolina in session at Raleigh, North Carolina, November 11-13, 1968:

1. That the Board of Trustees of Gardner-Webb College be empowered by the Baptist State Convention of North Carolina to borrow a maximum of \$300,000 (three hundred thousand dollars) for the construction of the J. R. Dover, Jr. Memorial Chapel.

2. That it is the intention of the Board of Trustees of Gardner-Webb College to build within their ability to pay without reducing the efficiency of the educational program.

3. That repayment of the loan be made as soon as possible from funds to be received from pledges and gifts made in the above mentioned campaign and future gifts to be made by interested donors.

4. That no part of any indebtedness which may be incurred by Gardner-Webb College under the authority of this Resolution shall in any respect be deemed or held to be the indebtedness or obligation of the Baptist State Convention of North Carolina, nor shall the General Board assume any responsibility whatever for the repayment of such loan or interest thereon.

V. *Recommendation concerning the establishment of a Council on Christian Life and Public Affairs.*

In the fall of 1967 the Christian Action Committee presented the following resolution to the Convention in Annual Session at Asheville:

"Therefore, in the light of the urgent and complex moral issues confronting Christian people today and with respect to the responsibility of Baptists to provide leadership in the identification and solution of ethical problems to the uplifting of the character of individuals and the total culture; the Christian Action Committee makes the following recommendation; that a special committee be set up by the Convention; to study the feasibility and advisability of creating a 'Division of Christian Ethics,' with a committee of the General Board, Secretary, and such other staff as deemed necessary, whose function would encompass the areas of responsibility of the existing Convention Committees—Christian Action, Christian Life and Public Affairs, as defined in our by-laws.

"To review the relationship of the above-mentioned committees to other organizations outside our Convention, as mentioned in the by-laws.

"Such special committee to consist of seven members as follows:
The President of the General Board, as Chairman, three members

elected by the General Board at its January meeting, and the respective Chairmen of the committees affected by this recommendation." Committee members are: W. Perry Crouch, Gen. Sec-Treas.; Gilmer Cross, Chm., General Board; Dr. George Griffin, Chm., Christian Life Comm.; Rev. Hoyle Allred, Chm., Public Affairs Comm.; Dr. Robert Fincher, Chm., Christian Action Comm.; Dr. Claud Bowen, Pres., BSC; Judge David Britt, First V-P, BSC; Dr. Carl Bates, former Pres., BSC. This committee made a thorough study of this matter, and made their report to the Executive Committee on July 2, 1968 and to the General Board on July 16, 1968. We now recommend to the Convention that a Council on Christian Life and Public Affairs be established as a part of the work of the General Board, but also vitally related to all institutions and agencies of the Convention. (See Constitution and By-laws changes.)

VI. *Recommendation concerning the elimination of Christian Life, Public Affairs and Christian Action Committees of the Convention.*

We recommend that the Council on Christian Life and Public Affairs replace the following committees as now provided for in the By-laws of our Convention:

1. Christian Life; 2. Public Affairs; 3. Christian Action. We further recommend that the By-laws be corrected to provide for this change.

VII. *Recommendations concerning the State Mission Offering*

In view of the pressing needs for mission work in our own state at this time, we urgently recommend that the State Mission Offering goal for 1969 be set at \$250,000 and that the offering be allocated as follows:

1. The first \$170,000 to undergird all of our State Missions Program as now promoted.
2. \$30,000 to amortize our new building at Fruitland.
3. \$10,000 for renovation of old buildings at Fruitland.
4. \$10,000 for additional "new lots" funds.
5. \$10,000 additional money for loan fund for mission churches.
6. \$10,000 for additional aid for weak associations seeking a Superintendent of Missions.
7. \$10,000 for special mission requests that come from small churches, emergencies, etc.

VIII. *Recommendation concerning proposed Cooperative Program budget for 1969*

The Executive Committee appointed a Budget Committee in the May meeting, and they began their work in June. Every effort was made to hear any and all representatives of agencies, institutions of the General Board program who wanted to discuss their needs.

This committee carefully reviewed the anticipated receipts for 1968 and prayed for guidance as we set goals for 1969.

Upon the recommendation of the Budget Committee, the Execu-

tive Committee, and the General Board we now present to you for your consideration the proposed budget for 1969.

From anticipated income of \$6,700,000 through the Cooperative Program we recommend that 33.34 percent be allocated to the Southern Baptist Convention, 25.60 percent to Christian Higher Education, 11.60 percent to Christian Social Services (Hospital, Children's Homes, and Homes for Aging), and 29.46 percent to State Missions (General Board Programs).

An overall goal of \$6,800,000 is proposed and from the income in excess of the base budget of \$6,700,000 we recommend the following allocation of funds: 33.34 percent to the Southern Convention, 26 percent to Christian Higher Education, 26 percent to Christian Social Services, and 14.66 percent to State Missions (General Board Programs).

IX. Recommendation concerning an Annuity Program for pastors of the General Baptist Convention

Some time ago, Dr. O. L. Sherrill, Executive Secretary of the General Baptist Convention, and Corbin Cooper of our Interracial Department approached Dr. Crouch about the possibility of our Convention working with their Convention to help make an Annuity Program available for their pastors. The Executive Committee directed Dr. Crouch to discuss this matter further with Dr. Sherrill and bring a recommendation to the committee.

The charter of the Annuity Board does not allow them to provide annuity services for anyone not working with the Southern Baptist Convention. However, if this plan for the General Baptist Convention is sent through our Convention, the Annuity Board can handle it.

We therefore recommend:

1. That we work with the General Baptist Convention and the Annuity Board of the Southern Baptist Convention in providing an Annuity Program for pastors of the General Baptist Convention.

2. That this plan include the following:

- 10 percent be provided by the churches whose pastors are participating or by the church and the pastor;
- 4 percent be provided by the General Baptist Convention;
- 1 percent by the Baptist State Convention;

15 percent total

3. That the General Baptist Convention be responsible for collecting the 14 percent and forwarding it to our office, where 1 percent will be added before sending same to the Annuity Board of the Southern Baptist Convention [Amended: see Item 134].

III. PROGRAMS OF WORK

A. DIVISION OF BUSINESS MANAGEMENT

(See Auditor's Report in the back of the Annual.)

B. DIVISION OF MISSIONS

HOWARD J. FORD, *Director*

We are happy to report to North Carolina Baptists a year of continued progress in areas of mission outreach. The close interrelatedness of associational, state, home and foreign missions continues to be a major emphasis of the Division of Missions. The majority of our work follows traditional methods, but some new approaches are being made in order to give our Christian witness effectively. Our aim is both the conversion of the individual to faith in Christ and a ministry that reveals concern for all the needs of man.

The Division maintains a close working relationship with Associational Missionaries (associational Superintendents of Missions). The Convention works in a cooperative financial arrangement with fifty-five (55) associations. There are at present sixty-eight (68) Associational Missionaries. During the past year we have lost Zeb Baker, Carolina-Transylvania, and M. E. Cunnup and Gilbert Mister from Sandy Creek who went back into the pastorate; and W. J. Edwards, Flat River; and W. D. Graham, West Liberty, have retired. We deeply regret this loss, but it is good to have the following new men: J. T. Pardue, Alleghany; Edward

Laffman, Cullom; Howard Willis, Macon; Paul Breedlove, Tennessee River; and Walter Middleton, Tuckasegee.

We work with the associations, the Home Mission Board, and the Foreign Mission Board in arranging World Missions Conferences. Six of these conferences have been held in North Carolina during the Convention year.

The Home Mission Board will be responsible for the North Dakota work beginning January 1, 1969. This arrangement has been mutually agreed upon by the Baptist State Convention and the Home Mission Board. Financial aid has been given to six North Dakota churches through our division this year.

The division is blessed with able, hard-working department secretaries and field workers. The work of all of us has been made easier by efficient and faithful office secretaries. We express our thanks to all the dedicated workers in the Division of Missions, to Dr. W. Perry Crouch and the General Board of the Convention for counsel, encouragement and support.

The reports from department secretaries and special ministries workers follow.

1. Institutional Ministries

a. MCCAIN TUBERCULOSIS SANATORIUM

REV. C. R. EDWARDS, *Visitor*

The past year's work at McCain has been interesting and inspiring. I have had the opportunity to serve as a spiritual counselor to tubercular patients who are separated from their friends and loved ones.

My work consists at times, of Bible reading, prayer, general counseling and distribution of appropriate literature.

The patients look forward to my coming and often express appreciation to those who are responsible for my services. They wish for me to express appreciation to the Baptist State Convention for remembering them in a special way.

a. PRISON UNIT—MCCAIN SANATORIUM

A. T. ROBERTSON, JR., *Visitor*

My ministry at Hoke Prison Hospital, McCain, N C., is a real challenging opportunity to fulfill the commands of Jesus, to minister to those who are sick and in prison. These men whom I minister unto have many needs. As your representative, I try to minister in a two fold capacity to meet some of these needs.

First, by preaching the Word unto them every Sunday morning. Even in prison God honors His Word and sinners cry out in repentance. Some of these never went to any church before entering prison, therefore, they have never heard the good news that Jesus died for sinners like themselves. Yes, by the foolishness of preaching, many are won to Christ.

Second, I minister unto the men through counseling. Many of these men have a wife and children back home and this always causes doubt, anxiety, conflict and concern on the part of the in-

mates. As I counsel with these men, I find many can't read or write. I help them by writing to their families, parole officers, etc. God has opened many doors of thought for these men through my counseling ministry and has given them a new vision of hope in Christ Jesus.

All of this ministry at Hoke Prison Hospital, McCain, N. C., is made possible because you, North Carolina Baptists, care enough to support State Missions. I am there because you care. As a spokesman for those whom I minister unto, thank you for caring enough to share the good news of Jesus Christ with us while we are sick and in prison.

b. ODOM PRISON FARM

DALPHON J. THOMPSON, *Visiting Representative*

Odom Prison is trying to help men to improve themselves in order that they may be better equipped for society. It is a two way street. Society needs to equip itself to receive these men. The work at Odom is constantly changing. Some things are good and some things do not appear good. The Prison Department of North Carolina is trying and the church is being asked to work with them.

Odom has around three hundred men. Some are going to school. Some work in the fields. Trade schools are being planned and they hope to have them in operation before our next convention.

These men need help and many seek help. It is my task to try and help them. There is provided a weekly religious service. The attendance has improved in the past year. At one time only six to twelve attended the services on Sunday. Now we have anywhere from forty to eighty attending. Many of those who come did not attend services before coming to the prison. We hope they will continue to attend after they leave the prison.

Men in prison have problems just like we do who are free to walk the streets. It is one of my tasks to be of help wherever needed. I am grateful to Baptists of North Carolina for helping these men at Odom. It is good to report that the work is going along nicely.

c. SAMARCAND MANOR INDUSTRIAL AND VOCATIONAL SCHOOL FOR GIRLS

PAUL F. HARDY, *Baptist Chaplain*

The making of a life is a God-given privilege and responsibility. The foundation of a good life is the recognition and proper evaluation of the purpose of the Creator in giving life to, and making a soul of, the crown of His creation.

At Samarcand Manor four hundred North Carolina girls are being taught and trained how to make their lives good. For fifty years (1918-1968) dedicated men and women have given themselves to the noble task of directing, guiding, and leading thousands of young girls to and in the purpose of God.

Beginning with the month of June of this year it has been the

privilege of this chaplain to join others in ministering through the spoken word to the girls on Sunday afternoons. My prayer is that North Carolina Baptists will continue to recognize and accept the challenge before us here in the Sandhills of Moore County, that the Christ of so many Christless lives may be revealed, presented, and accepted. "For God so loved the world, that he gave . . ."

d. LEONARD TRAINING SCHOOL

REV. RICHARD HOPKINS, *Baptist Visitor and Counselor*

The background of most of the boys at Leonard Training School can best be seen by looking back at the "Fun House" we stumbled through at the fair. Most of the boys have taken a wrong turn trying to reach the world they see outside. They have seen the world going on and have crashed into a solid pane of glass trying to reach it. Now the confused boy runs into blind alleys and bent mirrors which twist his image of himself almost beyond recognition.

A critical element in the lives of these boys is hope. Many of the boys feel that everything they touch goes wrong. The primary work of your ministry here is to give the confused and often hostile boy a person upon whom to try the new feelings and attitudes as he seeks to find his way out of the maze of blind alleys and bent mirrors. When a boy finds that, with the man of God, he can do no wrong, a whole new world opens up. The gospel begins to make sense and he can slip his hand into the hand of Christ walking boldly exulting with Paul: ". . . we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope."

e. MORRISON TRAINING SCHOOL, HOFFMAN, N. C.

MICHAEL T. RAY, *Baptist Chaplain*

We usually think of our work in State Training Schools for Boys as working exclusively with the boys . . . this past year this has not been true.

For a ten week period I had the privilege of teaching 40-45 Counsellors at Morrison a course in "Principles of Teaching and Learning." These Counsellors are responsible for teaching 360 boys the Sunday School lesson each Sunday. The Staff at Morrison realized that these Counsellors needed training in teaching God's Written Word and I had this privilege on your behalf. The next project with these Counsellors begins the first week in October when we begin "A Study of the Life of Christ in Its Historical Context."

For the past four years we have been conducting Vacation Bible Schools at Morrison using personnel of the churches in the Sandhills Baptist Association. This past year two staff members of Morrison attended the V.B.S. Clinic at Wingate; they were leaders in our Sandhills Baptist Association Clinic and they and five other staff members of Morrison conducted the V.B. School at Morrison without the aid of any outsider other than your Chaplain. At

the close of the V.B. School 26 young men made commitments to Christ.

This past year Rev. Hoyle Langford, Associational Missionary of the Pee Dee Association, has been most helpful in getting laymen from the Pee Dee Association to conduct Bible Courses for many of the boys at Morrison. We want to thank these men for this ministry. We also want to thank the American Bible Society for the Bibles, pamphlets and tracts we have been able to distribute to all boys at Morrison.

May we all realize as did the Apostle Paul . . . "We are labourers together with God" (I Cor. 3:9).

2. Department of Interracial Cooperation

CORBIN L. COOPER, *Secretary*

"Fresh winds are blowing and new excitement is in the air!" These words from W. C. Fields' *Trumpets In Dixie* express the outlook of the work of the Department of Interracial Cooperation as 1968 draws to a close. Aiding tremendously in the work with National Baptists throughout North Carolina has been the "Statement Concerning the Crisis in Our Nation," adopted by the Southern Baptist Convention on June 5, 1968. Also, the literature, "We Hold These Truths," has opened many avenues for discussion groups to confront the problems of human relations within their churches and communities.

The department has experienced growth in practically every area during 1968. In January a record number of General Baptists attended the statewide Vacation Bible School Clinic at Wingate College. A series of five conferences on human relations were held in April with a total attendance of 800. They were held at Oakmont, Greenville; Brookwood, Jacksonville; Forest Hills, Raleigh; Madison Avenue, Goldsboro; and North Kannapolis, Kannapolis. Leaders for these conferences were the Reverend Raymond F. Harvey, Tuskegee Institute, Alabama, and Dr. Victor T. Glass of the Home Mission Board.

Thirteen small scholarships were provided this year for ministerial students at Shaw University, North Carolina College, A. & T. University, and Southeastern Seminary. Three new Week Day programs were held during the summer in churches located in Asheville and Brevard. An increasing number of seminars, youth retreats, institutes, discussion groups, etc., are being held in churches and associations with the goal of finding ways to initiate or increase a program of work with National Baptists.

Looking toward 1969, the annual Statewide Conference on Evangelism meeting in Greensboro in January will be jointly sponsored by the two Baptist State Conventions. Also in keeping with the Crusade of the Americas, the Baptist Men and Boys annual convention for the first time next year will be jointly sponsored by the Brotherhood Department of the Baptist State Convention and the Layman's League of the General Baptist State Convention. This meeting is scheduled in Winston-Salem, March 28-29.

The department has been actively engaged with these and numerous other plans to promote an ever strengthening program of work with National Baptists.

The Home Mission Board sponsored three of the summer workers.

3. Department of Deaf Missions

JERRY F. POTTER, *Missionary*

NEAL L. PEYTON, *Associate*

At last we are getting off the ground! More than at any time since the Baptists of North Carolina began this ministry to the deaf seventeen years ago, one gets the feeling that it is at last beginning to roll! Why? Because the local churches are beginning to assume responsibility for more of the total ministry to the deaf. The interpreters, hearing members of the local churches, are not only accepting more responsibility in ministering to the deaf but are beginning to experiment with new ideas and methods.

A statewide religious journal for the deaf was begun this year under the auspices of the First Baptist Church of Elkin. The interpreter and teacher, Mrs. Allen Adkins, edits and mails the paper to the deaf of the state. First Baptist is underwriting the total expense of the paper.

Most of the interpreters and teachers of the deaf groups in the state gathered at Camp CaRAway for a three day conference on methods and ideas. The summer camp for the deaf was again held in conjunction with the Virginia Conference at Eagle Eyrie, Virginia.

First Baptist in Charlotte established a committee on deaf work. It is hoped that this type of committee will be established in every church having a deaf ministry.

Our television ministry continues to reach the deaf throughout the state. A new innovation was added this year when Mrs.

Nancy Ashley, interpreter at Woodland Baptist Church in Winston-Salem started interpreting the news on WSJS-TV each morning. This station also aired a drama produced by Mrs. Adkins of Elkin given in sign language and voice simultaneously. Mrs. Adkins is experimenting with drama as a vehicle for sharing the gospel with the deaf.

Your missionaries to the deaf will continue to coordinate this work throughout the state — counselling, ministering, assisting and planning so that the deaf may hear.

4. City and Metropolitan Missions Department

ERNEST C. UPCHURCH, *Secretary*

The City and Metropolitan Missions Department of the Division of Missions, seeks to promote a total mission program in every area of North Carolina that has a population of 2,500 and up. However, the metropolitan culture is always active in shaping concept and values in all geographical areas of our state.

The projected population growth of our state reveals an estimated growth between 1960-1980 to be one million people. These people need to be reached with the Christian witness of our churches. This department is the urban missionary effort of our convention to assist churches and/or associations in extending this witness.

Metropolitan missions has three distinct phases of its work, namely:

I. THE GENERAL URBAN CHURCH AND ASSOCIATIONAL MINISTRIES

A. Research and study has been made in metropolitan mission needs and ministries and ways and means of meeting these needs.

B. Churches and associations have been assisted in specific urban needs and long range planning of associational city ministries.

C. Seminars and conferences and clinics have been well received by ministers and lay people in this area of work. The one outstanding conference of this nature was held in Greensboro during the year.

D. Pastoral assistance was provided, in keeping with the General Board's guiding principles, for 56 churches and missions.

E. Lay assistance was provided, in keeping with the General Board's guiding principles for 24 churches.

F. Urban institutional ministries have been encouraged among industry and urban hospitals, rest homes, etc.

II. METROPOLITAN CHRISTIAN SOCIAL MINISTRIES

The compassion ministries of Jesus were to all people—"When he saw the multitude he was moved with compassion on them." Matthew 9:36.

Christ not only had compassion on the multitudes he also had compassion on individuals. He had compassion on the widow of Nain (Luke 7:11-15), on two blind men (Matthew 20:30-34), on a

leper (Mark 1:40-42), and on many more in need. Many of his miracles expressed compassion for people. The Christian Social Ministries is designed to meet the total compassion needs—moral and spiritual of mankind.

A. Associational Programs

The associational Christian Social Ministries includes services in Baptist Center work (kindergarten, weekday activities, Goodwill Centers) Rescue Missions, Juvenile Rehabilitation, Adult Rehabilitation, Literacy, Migrant and Relief Ministries.

Two new associational Christian Social Ministries have been launched during 1968. One in New South River Association with Mr. John Halbert as Director. He will live in Fayetteville but will minister to all of Cumberland County and its fringe areas within the association.

Another new associational work was launched in the Gaston Baptist Association. The Reverend Gerald Edwards has been called to this work. He will live in Gastonia but will minister to all of Gaston County. Both of these men are recent graduates of Religious Education with major in Social Ministries of the Southern Baptist Theological Seminary, Louisville, Kentucky. They are qualified to render a good work in these areas.

B. Baptist Centers

We are assisting financially in two full-time Baptist Center programs. One in Winston-Salem, Patterson Avenue Mission Center with the Reverend and Mrs. Roy L. Hood, Co-directors. One in Eden, the Dan Valley Baptist Center with the Reverend and Mrs. Marvin Southard as Co-directors. These are sponsored in co-operation with the Home Mission Board and the respective associations.

A summer church-community weekday project was operated in the West Hillsborough church-community with Miss Lynette Vaughn serving as worker.

C. Juvenile Rehabilitation

Two programs of juvenile rehabilitation are being conducted. One in Winston-Salem in co-operation with the Pilot Mountain Association. The Reverend Maurice Briggs is serving as director of this association project. One is in Raleigh in co-operation with the Raleigh Association and the Home Mission Board. Mr. Eugene Scarborough is serving as minister of this work. There are many, many other needs and opportunities if money and personnel were available.

D. Adult Rehabilitation

A special adult rehabilitation project was held for fifteen weeks in Durham. This was a pilot project directed toward alcoholics and their family rehabilitation. The Reverend Boyce Kimball served as minister of this project.

E. Literacy

Workshops were conducted in associations and among the field workers of metropolitan missions. Ways of implementing this work are being studied and strategies planned.

F. Migrant Work

This phase of our ministry is designed to share the Christian faith with the migrant and to develop in him a sense of his personal worth, belonging and responsibility. A co-operative ministry of this nature was held in Henderson County (Hendersonville and surrounding areas.) The Reverend David Stamps served in this capacity during the summer of 1968.

III. THE WORK RELATED TO NON-EVANGELICALS

The work among the Jews, Catholics, Christian sects and Non-Evangelicals is directed to our churches through study and research through the help of the Home Mission Board. Basic information has been gathered and compiled in tracts and pamphlets and distributed among our churches. Many new pamphlets related to this work have been written and distributed during the year in co-operation with the Home Mission Board, Department of Non-Evangelicals.

Conclusions

City and Metropolitan Missions Ministries are administered in co-operation with the Metropolitan Missions, Christian Social Ministries and Non-Evangelical Department of the Home Mission Board of the Southern Baptist Convention. This co-operative method finds these departments supplying joint-employed personnel, funds, techniques and working closely with local co-sponsors of this mission's projects.

The Department's continued concern and overall perspective is for all people, especially in urban areas of North Carolina. The Department's ministries are a part of the total witness of State Missions. We use all available channels to inform churches and associations of mission opportunities and to motivate them to participate in mission actions to the glory of God and the salvation of the lost.

We convey our thanks to the Baptists of North Carolina, to Dr. W. Perry Crouch, General Secretary-Treasurer, Dr. Howard J. Ford, Director of the Division of Missions, to all the department field staff, and to Mrs. Hugh Grimmer, office secretary, for the faithful support given to Metropolitan Missions during the year of 1967-68.

5. Fruitland Baptist Bible Institute

E. GARY HARTHCOCK, *Director*

ALEX L. BOOTH, JR., *Dean*

1. THE SCHOOL TERM

Orientation day for new students was held August 26 on the campus. Classes for all students began at 8:00 on Tuesday, August 27.

The school year now consists of three twelve-week quarters. The second quarter begins November 21, 1968; the third quarter begins March 11, 1969.

2. THE CURRICULUM

Twenty-four different courses are now required for the completion of the work at the Institute. Normally, each student takes six of these during any one quarter, attending the classes for each course twice per week. Each course lasts for two quarters, making it possible for a student to take the first half or the second half of the course during any given quarter. This arrangement has been particularly helpful to the students who are forced to drop out of school for one or more quarters before resuming their studies.

3. THE STUDENT BODY

The present procedure which allows students to complete their work at the end of any quarter and new students to begin their work at the beginning of each quarter makes it possible to minister to a larger number of men than in times past. The number of students present during any one quarter is averaging between 145 and 150. Last year the total number of students attending was 200. This school year it appears that we will exceed that.

A look at our present student body would be interesting.

5. STUDENT AID

In order to make it possible for every man who needs the services of the Institute to become a student the costs are kept to a minimum. To help still further, a work scholarship program is in operation to assist dormitory students. In addition, a student loan fund has been set up to extend interest free loans to students who need such help.

6. Town and Country and Seminary Extension Department

ROY J. SMITH, *Secretary*

The objective of the Town and Country and Seminary Extension Department is two-fold: (1) Work with small town and rural churches in a program of overall church development; and (2) Promote the state-wide ministries of Resort Missions, Mountain Missions, Weeks of Christian Study and Fellowship, and Seminary Extension.

The Rural-Urban Department of the Home Mission Board and the Seminary Extension Department of the Southern Baptist Convention participate in the ministry of this department.

Mrs. Nan Jones is the office secretary.

SEMINARY EXTENSION

Twelve hundred students were enrolled in seventy Seminary Extension Centers in 1968. More than sixty associations are planning Seminary Extension studies for the coming year.

Four area workshops were held this year in Sylva, North Wilkesboro, Asheboro, and Rocky Mount, sponsored by this department and Reverend Cline Borders, Associate, Seminary Extension Department of the Southern Baptist Convention. Dr. John T. Wayland of Southeastern Baptist Theological Seminary led Seminary Extension personnel in a study of the Adult Learner and Teaching Techniques.

Seminary Extension is designed for pastors, church leaders, and church members who are interested in enriching their spiritual lives through the discipline of in-depth study and training. Courses are offered in Biblical Interpretation, Theology, Religious Education, Church History, and Missions.

Financial assistance in the form of scholarships and teachers' honoraria are provided where needed.

PASTORAL AID—LOT AID

Sixty churches and missions in thirty-two associations received pastoral aid during 1968. Seventeen of these mission pastors are students and ten are serving fields of two or more churches. One pastor in the Chowan Association served a field of five churches.

Eleven churches in eight associations received aid on the purchase of church lots. These mission grants ranged from \$600.00 to \$2,500.00.

In the allocation of the mission funds, priority is given to churches joining together in a field of work, student pastors, and churches with unusual missionary opportunities.

WEEKS OF CHRISTIAN STUDY AND FELLOWSHIP

The annual Week of Christian Study and Fellowship at Mars Hill College had an enrollment of 509 ministers, wives, and children. The second annual Week of Christian Study and Fellowship at Chowan College was attended by 103.

These weeks make it possible for pastors and their families to come aside for spiritual, intellectual, and physical renewal. A balanced program of worship, study, and recreation is provided for ministers, their wives, and children, Nursery through Junior age.

Meals are the only cost to those attending. The College and the Baptist State Convention provide lodging facilities and the program.

RESORT MISSIONS

The Baptist State Convention participated in five Resort Mission ministries this year. The resort ministry was varied and flexible, designed to meet the needs of each given area.

1. Kitty Hawk—This is a three-phase ministry promoted and sponsored by the Baptist State Convention, the Chowan Baptist Association, and the Dare County Ministerial Association. A Chapel minister conducted regular services at the Kitty Hawk Baptist Chapel, June through Labor Day. Religious movies were shown on the beach Wednesday-Saturday nights each week, and a "Circus Tent Ice Cream Parlor" offered a new approach to Christian ministry. The huge circus tent proved to be one of the most popular gathering places on the outer banks. Four times daily a group of Christian young people gave a performance of religious folk songs and spirituals. A worship service was held each Saturday at midnight.

2. Lake Norman—This is primarily a camping resort where our summer missionary, David Smith, planned recreational activities for different age groups, special talent shows, films on the beach, in addition to regular worship services at two campsites each Sunday. This ministry is sponsored by First Baptist Church, Mooresville, South Yadkin Baptist Association, South Fork Baptist Association, Mecklenburg Baptist Association, and the Baptist State Convention.

3. Atlantic Beach — At Atlantic Beach a missionary couple, Reverend and Mrs. William Stillerman, served as chaplain, pastor, advisor and counselor on the twenty-one miles of beach reaching from Ft. Macon to Emerald Isle. The ministry at Atlantic Beach is sponsored by First Baptist Church, Morehead City and the Baptist State Convention.

4 & 5. White Lake and Ocean Isle — These ministries provided movies on the beach and general pastoral services to the multitudes visiting these areas. The White Lake Ministry is sponsored by the Bladen Baptist Association and the Baptist State Convention. The Ocean Isle ministry is sponsored by the Brunswick Baptist Association and the Baptist State Convention.

Plans for the next year, include ministries at Holden Beach, state and national parks, and a specialized ministry to the students employed in these areas.

TRUETT CAMP

In 1968 the Baptist State Convention and the churches in Region 10 entered a closer working relationship for the overall development of Truett Camp. The Executive Committee of the General Board and the representatives of the churches in Region 10 authorized the formation of a permanent Truett Camp Committee comprised of five members representing the churches in Region 10 and the General Secretary-Treasurer, the Director of the Division of Missions, and the Secretary of the Town and Country and Seminary Extension Department. This committee is responsible for the camp operations and for development of the physical facilities.

The Truett Camp Committee in cooperation with Reverend Richard Smith of the Church Building Planning Department of the

Church Architecture Department of the Sunday School Board, is projecting a long range program of development. In 1968 the Brotherhood Department and the W.M.U. provided counselors and R.A. leaders for the camp. Mr. James Roper of Sylva, North Carolina served as the efficient camp director.

7. Cherokee Indian Ministry

MISS IONE JOHNS, *Director, Child Care Center*

The Child Care Center continues to be a vital part of the ministry on the reservation. A capacity enrollment of eighty-three children was reached during the year. Many of these children come from homes which provide no religious instructions and their only contact with Christianity is the guidance which they receive at the center. The workers have a great responsibility as they strive to create within the children a basic understanding of God's love.

On November 1 Miss Phyllis Ragan will join the Child Care staff as Associate Director. Miss Ragan is a very dedicated, responsible worker and under her capable leadership the center anticipates a year of great progress.

8. Military Ministries

J. NED BEATTY, *Secretary*

The Military Work is a cooperative ministry with the Division of Missions, Baptist State Convention of North Carolina and the Chaplains' Commission of the Southern Baptist Convention's Home Mission Board. The work is closely coordinated with the Military Chaplaincy, Superintendents of Mission of the local associations and the local churches and pastors. The objective of the program of Military Ministries is to work with, and assist churches and associations in establishing a more effective ministry to the military and their dependents.

Various phases of our work include: visitation, survey and counsel for church enlistment, mission Vacation Bible Schools, Home Fellowships, Mobile Chapel Ministry, work with churches near military areas, helping to establish new churches and missions within the military areas, planning and promoting special summer mission activities, providing materials and assisting churches in preparing their young people for military service, planning and promoting conferences in the military areas, and ministering to military wives of foreign lands. This ministry, as you can see, includes a great variety of services to be rendered and activities in which to be engaged.

Let me review a few of the highlights of our year's activities.

Rev. Albert Lamm came to work with us October 1, 1967. He served with us for three months after which he moved to Southport, North Carolina, to begin a pastorate there in January, 1968. While serving with us, he became aware of the vast needs among our military personnel. Upon leaving, he made the following sugges-

tion for improvement of the work; "Another person to assist Ned Beatty when I leave. I believe this ministry to be of great value and worth more than it is costing the convention." It was good having Mr. Lamm to assist us. He has been missed and some work has had to go undone due to his leaving.

Mrs. Toni Romine, an Oriental wife of a retired marine, came to work with us May 1, 1967. Working in the Jacksonville area, she has assisted in organizing two new Oriental Bible Classes and an Oriental Choir. We have found that this area of our work is very rewarding, and it is increasing steadily. The State Oriental Fellowship was held May 3, at the Religious Center, Fort Bragg, N. C. Chaplain James Skelton, Corps and Post Chaplain, Miss June Cooper, Missionary to Japan, and Dr. Luther Copeland, professor at Southeastern Seminary, were guest speakers.

Again this year, we enjoyed good fellowship at our annual pastors and chaplains luncheons which were held at Fort Bragg, Camp Lejeune, Cherry Point, and Seymour-Johnson. These meetings were a part of our efforts to coordinate the work of our churches with that of the Chaplaincy in ministering to the military and their dependents.

Two Military Ministries Conferences were held this year; one at Lafayette Baptist Church in Fayetteville, and one at Midville Baptist Church in Jacksonville. The splendid programs were well received by those attending. Program personalities included Alvin F. Butters, Colon Jackson, and John F. Robinson, representing local churches; Charles Stevens, James Sasser, and E. J. Hines representing associational missions; Dr. Howard Ford, Ernest Upchurch, Roy Smith, and Ned Beatty representing state missions; Dr. Willis Brown and Dr. L. D. Wood representing home missions; and Alvin (Bud) Spencer representing foreign missions.

The Summer Program in the military areas was a combined effort of churches, the associations, the Baptist State Convention and the Home Mission Board. The Sunday School Department and the Division of Missions of the Baptist State Convention made possible the appointment of four student summer missionaries by the Home Mission Board to conduct Vacation Bible Schools and Surveys. The Sunday School Department also provided additional B.V.S. workers. This was our best summer yet, and we are already planning for an even better summer in 1969. In addition to the B.V.S. and Survey work, we hope to add some Day Care Ministries in our Summer's Activities.

We began a new work this year in the Mobile Chapel. Kellum Baptist Church, Gerald Rhyne, pastor, is the sponsoring church. The mission, Centerview Baptist Mission, is pastored by Gordon Bynum. The Sunday School enrollment is 76, the average attendance is 50, and the average offering is \$100.00 per week. It is our hope that this mission will grow into a church within a year.

Mrs. Billy T. Mobley resigned as office secretary in December. Mrs. James W. Morgan served in this capacity from January until July at which time the position was filled by Mrs. Lola T. Mann.

The Military Ministry has been greatly aided by the Superintendents of Missions in the various associations in which our work is centered. H. A. Privette, Atlantic Association; E. B. Hager, Neuse Association; E. J. Hines, New River Association; Charles Stevens and James Sasser, New South River Association have rendered valuable service to our work. The work is further enhanced by the leadership of the pastors and the Military Chaplains in these areas. Our gratitude to each of these is unspeakable.

We are particularly indebted to Dr. Howard Ford, Director of the Division of Missions, for his leadership and encouragement. We are grateful to North Carolina Baptists for the opportunity which they afford us of ministering to these people who come here from all parts of our nation and the world, and who spread the influence which they receive from us to the uttermost part of the earth. We are ever grateful to our God who continually showers His blessings on our labors.

C. DIVISION OF EVANGELISM

JULIAN S. HOPKINS, *Director*

WILLIAM C. LAMB, *Associate*

CRUSADE OF THE AMERICAS

The past year has been devoted primarily to promoting the Crusade of the Americas. During 1967 the leadership in every association in North Carolina agreed to work toward enlisting every church to become a participant. The goal of "every church" has not been reached, but far more churches have already voted to participate in this Crusade than any other we have had in the state. Every week we continue to hear from churches that are coming in. The dates for the simultaneous revival meetings in 1969 are: March 16-30, April 6-20 and April 27-May 11. Each association has selected one of these dates.

Interest across the state in the Crusade seems to be at its highest peak now (October 1, 1968), and is continuing to rise. The Crusade rallies in September 1968 sponsored by the Division of Evangelism and the state Sunday School Department have been well attended and characterized by deep spirituality. Plans that have been announced at these rallies indicate the associational leadership is getting concerned that a genuine spiritual awakening be experienced in the churches.

The Crusade of the Americas, which involves most of the Baptists in the Western Hemisphere, is a three-year emphasis in North Carolina and in the Southern Baptist Convention. The yearly themes are:

1968—WORK AND WITNESS FOR CHRIST

1969—PROCLAIMING THE GOSPEL OF CHRIST

1970—UNTO SPIRITUAL MATURITY IN CHRIST

After the Crusade Guidebook, prepared by the Committee of 27 for North Carolina, was approved on November 15, 1967 by the

Baptist State Convention, guidebooks were mailed by the Division of Evangelism to all Pastors and Superintendents of Missions in the state. Also, the State Convention departments of Sunday School, Church Training, Woman's Missionary Union and Brotherhood sent copies of the guidebook to the heads of their organizations in all the churches. Other departments shared the guidebooks with Christian leaders of institutions across the state.

From the Division of Evangelism three thousand copies of PACT, the pamphlet on prayer-partners, were mailed to all Pastors and Superintendents of Missions. The State WMU mailed PACT to all the WMU presidents. Other Crusade materials sent to pastors and Superintendents of Missions are as follows:

The 1968-1969 Evangelism Plan Book
Christ's Directions For Enlisting Laborers
What Is The Crusade of the Americas?
Christ, The Only Hope
What Am I Responsible For?
What Is God Like?
Some Things God Wants You To Know
My Favorite Sin
Who Am I?

Twelve pamphlets were given to all Associational Chairmen of Evangelism and Superintendents of Missions to assist them in promoting the Crusade in the association. In addition to what has been done through the Division of Evangelism, we are indeed grateful to the Division Directors, Department Secretaries and Associates for their continued promotion of the Crusade of the Americas in meetings across the state.

ASSOCIATIONAL CLINICS

Clinics on evangelism in general and the Crusade of the Americas in particular were conducted for pastors and other church leaders in almost all of the eighty associations across the state. Churches in the General Baptist Convention of North Carolina, Inc. participated in some of the clinics. The purpose of these clinics was to instruct and inspire the people for personal witnessing, for proclaiming the gospel, and to give guidance for preparation for the Crusade of the Americas.

CONFERENCE ON EVANGELISM

The annual State-Wide Conference On Evangelism was held in War Memorial Auditorium in Greensboro on February 5-7, 1968. More than 2,100 pastors and laymen registered attendance at this Conference and several hundred more were there for one or more of the sessions.

The theme for the Conference was, "A Redeeming Ministry." Two years ago when plans for this Conference began to take form it was the conviction of the Division Director that possibly the

greatest need among us was for the people's confidence to be restored in the Bible as the inspired Word of God and as the authority for faith and practice. Not that many people in our Convention denied these basic truths, but that emphasis on these things had been neglected, and that "a redeeming ministry" cannot be a reality without deep and powerful convictions that what the Bible says, God says. With this conviction the Division Director began to pray and search for God's men to speak at the Conference. The men selected are as follows:

Dr. C. E. Autrey, Director, Division of Evangelism, Home Mission Board, spoke on the subjects: "The Crusade of the Americas" and "The Person of Jesus."

Clark H. Pinnock, Associate Professor of Theology, New Orleans Baptist Theological Seminary, spoke on the subjects: "Evangelism and Truth," "Scripture—The Epistemological Foundation," "Cross—The Redemptive Foundation," "Sin and Wrath," and "Justification by Faith."

Manuel L. Scott, Pastor, Calvary Baptist Church, Los Angeles, California, spoke on the subjects: "Redemption Through a Radical Pulpit," "Redemption Through a Responsive Pew," "Redemption Through a Relevant Program," and "Redemption Through a Committed Person."

Harper Shannon, Pastor, First Baptist Church, Dothan, Alabama, spoke on the subjects: "The Bible Doctrine of Eternal Retribution," "Moved With Compassion," and "Worthy Is the Lamb."

Wayne E. Ward, Professor of Christian Theology, Southern Baptist Theological Seminary, spoke on the subjects: "Redemption: Its Biblical Meaning," "Redemption: Its Theological Scope," and "Redemption: Its Practical Application."

This Conference provoked the greatest response from the people of any Conference On Evangelism held in the state. With a few exceptions all of the response expressed deep appreciation for the scholarship, spiritual insight and the courageous proclamation of the Gospel of Christ by all the speakers. Many reported that the spiritual renewal received at the Conference carried over to their churches resulting in spiritual revivals in the churches.

D. DIVISION OF CHURCH PROGRAMS

NATHAN C. BROOKS, JR., *Director*

The hand of death touched the division personnel on October 2, 1968, and Dr. Claude White, who had been Sunday School Department Secretary for less than 16 months, completed his work with the Convention. One of his final tasks on his last day of service was to prepare the Sunday School Department report that follows. This good and dedicated man served the Lord faithfully.

Woman's Missionary Union has a new Executive Secretary, Miss Sara Ann Hobbs, elected to service October 2, 1968. Miss Miriam Robinson resigned from this post of leadership effective August 1, 1968, to teach at Belmont College, Nashville, Tennessee.

James Y. Greene began his ministry as Director of the Student Department, June 1, 1968.

Effective January 1, 1968, Bill Jackson, at Camp CaRAway, became known as the Director of the Department of Camps and Retreats.

The Department Directors have reported the personnel changes within their areas of responsibility.

In addition to the department services outlined in the department reports, the Division office has promoted two Long Range Planning Conferences, a Deacons' Retreat, a Communications and Administration Workshop, and a series of four Special Family Problems Seminars.

The objective of the Division continues to be to assist individuals, churches, associations and institutions in their effort to bring God and man together through Jesus Christ.

1. Sunday School Department

....., *Secretary*

(This report was prepared by Claude W. White on the day of his death.)

The Sunday School Department has enjoyed an extremely busy, but, we believe, a most profitable year of activities. The staff, with the assistance of the special workers and other invited leadership has moved forward toward its declared objective: strengthening the church's program of outreach to the Sunday School and lifting the level of Bible teaching throughout our state. To these objectives we are thoroughly dedicated.

PERSONNEL

Two new members have been added to our staff during the year. Rev. Richard J. Brown joined our staff on February 16 as an associate in charge of the teaching and youth work. He was formerly minister to youth at Snyder Memorial Baptist Church in Fayetteville. Rev. Burrell F. Lucas came to us June 24 from the pastorate of the North Roanoke Baptist Church in Roanoke, Virginia, as an associate in charge of associational promotion and Adult work. Other members of the staff include Mrs. Myra Motley, an associate in charge of Junior-Intermediate work, Vacation Bible School and Weekday education. Miss Hilda Mayo is an associate in charge of Elementary work, Church Library, and the Ministry to the Retarded. The dedicated help of two office secretaries make possible a greater ministry. These are Mrs. Barbara Chason and Mrs. Catharine Watts, who has recently been added to fill the vacancy left by the resignation of Miss Pat Moore. The complete staff works as a unit toward the achievement of our objectives.

The ministry of the department is greatly enlarged through the help of our qualified special workers. These are: Extension: Mrs. R. E. Agnew, Mrs. C. R. Hinton; Cradle Roll: Mrs. Claude W. White; Nursery: Mrs. John Moore, Mrs. J. C. Price, Mrs. William

ACTIVITIES—1967-68

The assigned tasks of the Sunday School are: teaching the Biblical revelation, leading in reaching all prospects for the church, and leading all church members to worship, witness, learn, and minister daily. Commitment to these tasks has led the department in many directions during the year. In an effort to fulfill the responsibility delegated to it, the Sunday School Department has conducted Director-led Enlargement Campaigns, Central Training Schools, Bible Teaching Clinics, and Age Group Workshops. Requests for assistance to local churches have of necessity been limited, but this help has also been given when possible.

This special listing of the activities of the department during the year will reflect some of the efforts to fulfill our objectives.

The State Vacation Bible School Clinic for the purpose of training associational leadership was held at Wingate College January 8-10, 1968. Sixty-one Associations plus 5 from the General Convention, were represented by 373 people. Dual conferences were offered for the third year.

The Sunday School Department assisted 16 Associations in providing summer student workers during June, July and August. These 21 workers were trained at Gardner-Webb College along with others working with the Department of Interracial Work. Dr. James Barry from the Sunday School Board assisted the Department with the training session. The 21 workers served in 139 churches.

The State Clinic for 1969 is scheduled for the dates of January 6-8 at Wingate College.

Planning meetings were held in numerous associations in preparation for projects to be sponsored during 1968-69 and 1969-70. All of the conferences with pastors and associational leadership, telephone consultations, appearances in local churches and associational Sunday School meetings cannot be enumerated in this report.

A Special Project: During the second week of June the secretary of the department led a group of 16 students from Fruitland Baptist Bible Institute in a special project involving 17 of the smaller churches in Macon and Tuckaseegee Associations. The students spent a week in teaching Sunday School principles and leading in a program of outreach. Similar projects are planned in at least four associations during the summer of 1969.

A LOOK AHEAD

Enlargement. The regular enlargement campaigns are planned in at least ten associations during 1968-69. Others, hopefully, will be added. Another series of group workshops are in the program for January and February.

Training and Teaching Improvement. We are conferring with associational and local church leadership in an effort to promote numerous projects which will lift the level of teaching in the Sunday School.

Looking Toward 1970. With the anticipated changes which are forthcoming in Sunday School organization, grouping, literature, the department will promote Orientation Clinics in as many associations and local churches as possible.

Area Conventions. These will be a regular part of our Sunday School Program. The Conventions for 1969 are as follows: September 8: Edenton Baptist Church, Edenton; September 9: Clinton Baptist Church, Clinton; September 10: Friendly Avenue, Greensboro; September 11: Morganton First, Morganton; September 12: Waynesville First, Waynesville.

The Crusade of the Americas. Realizing the important role of the Sunday School in the Crusade of the Americas, the department will continue to co-operate with churches and associations in preparation for the Crusade Revival.

With all staff vacancies filled, and the enlistment of additional special workers, the Sunday School Department looks forward to a fruitful year of service.

2. Church Training Department

SAM H. O'NEAL, *Secretary*

In recent years no other term can describe the Training Ministry for Southern Baptists better than does the word "change." Changes in the Church Training Department are not taking place just for "changes-sake" alone. These are taking place to meet the expanded concept of the Training Ministry for Southern Baptists and help meet the need for leadership in local churches throughout the Convention.

Indicative of this expanded concept is the name change for the Training Union Department. As of January 1, 1969, this department will be known as the Church Training Department. This is in keeping with the assigned ministry of this department.

PERSONNEL

In the midst of change this has been a year of stabilization for the Department staff. For the first time in three years, the Department has a complete staff. The field staff consists of the Department Secretary and four associates: K. Maurice Cooper, Director of Associational Promotion, works with Department Secretary in the area of Adult Work, General Administration, and New Member Orientation; C. Davis Bowen, Director of the Youth Division and Consultant in Church Recreation and Vocational Guidance; Gene A. Phillips, who joined the Department March 1, 1968, Director of the Children's Division and Consultant in the area of Ministry to the Mentally Retarded and Church Leadership Training; Miss Doris Morgan, Director of the Pre-School Division and Consultant in the area of Church Recreation with special attention in the area of Church Drama. Miss Kaye Frances Currin and Mrs. Mary Conn continue to serve as the two very fine and capable Office Secretaries.

Approved workers are: Mrs. I. V. Couch, Rutherfordton, North Carolina, Youth Work; Mrs. Davis Bowen, Raleigh, North Carolina, Youth Work; Mrs. Gene Phillips, Garner, North Carolina,

Youth Work; Mrs. J. R. Everett, Rocky Mount, North Carolina, Youth and Children's Work; Mrs. Maurice Cooper, Garner, North Carolina, Elementary Work; Mrs. Walter Nash, Signal Mountain, Tennessee, Elementary Work; Mrs. Sam H. O'Neal, Garner, North Carolina, Elementary Work.

1968 ACTIVITIES

The year 1968 has been a most gratifying year for the Church Training Department. Churches and associations continue to call for help in an ever-increasing number. Pastors and other church leaders have asked for interpretations of the Church Training Ministry and personal assistance in greater numbers than ever before. For this the staff is grateful and it continues to offer its assistance in the future.

Some of the activities last year were:

1. A Church Recreation-Drama Leadership Workshop
2. Ten Regional Convention Planning Meetings
3. Ten Regional Conventions
4. Annual Youth Convention
5. Four Pastors' Training Ministry Seminars
6. A ten-state Regional Youth Klesis at North Carolina Baptist Assembly
7. Statewide Briefing Meeting for Associational Officers
8. Twenty Associational or Leadership Schools
9. Two Local Church Enlargement Campaigns
10. Numerous One-Night Leadership Institutes or Workshops
11. Five Assembly Weeks

STATISTICALLY SPEAKING

The summer assembly program consisting of five assembly weeks was well attended with 2,332 registered participants. Life commitments during the summer assembly program were greater than ever with a record of 293. The Regional Conventions, with emphasis upon Church Drama, enrolled 2,171 persons from 66 associations and 325 churches. Registration at the Youth Convention, which was held at Forest Hills Baptist Church, Raleigh, North Carolina, was the greatest ever with 1,489 registered from 158 churches and 47 associations. "M" Night attendance for 1967 was 28,082 from 2,238 churches with 1,049 pastors and 938 Church Training Directors present.

FUTURE PLANS

The 1969 schedule is already a challenging one. Planned are:

1. Numerous Associational New Member Orientation Clinics as part of special assistance for the Crusade of the Americas emphasis
2. Ten Regional Church Training Conventions, with emphasis upon Family Ministry

3. Youth Convention, First Baptist Church, Lumberton, May 2-4
4. Three Assembly Weeks at North Carolina Baptist Assembly, Southport
5. Two Leadership Weeks at Fruitland Baptist Bible Institute
6. A special Youth Conference, August 4-9, North Carolina Baptist Assembly, Southport—climax of the summer Youth Corps program
7. Annual State Briefing Meeting for Associational Officers, August 22, First Baptist Church, High Point
8. Two special Seminar-Workshops for Workers with Mentally Retarded: First Baptist Church, Durham, September 29-30, and First Baptist Church, Morganton, October 13-14
9. Numerous local church and associational Leadership Schools, plus two Enlargement Campaigns

The above plans are indications that 1969 will be another busy year for the Church Training Ministry among Southern Baptists. Special plans and projects are already being projected and scheduled for 1970, 1971, and beyond.

3. Department of Student Work

JAMES Y. GREENE

I. MINISTRY ON CAMPUS

Baptist Student Union and the ministry of the staff of the Department of Student Work are a specialized focus of the denomination as it seeks to work with those in the academic community. In the various settings this campus ministry finds varying organizational expressions but each unit operates within a basic philosophy and guidelines decided upon by the Convention.

The building of Christian community is perhaps the major emphasis of our campus ministry; worship, study, service, witness and fellowship are other major facets of the work.

II. MINISTRY ON THE STATE LEVEL

1. The Seminar on Christian Social Concerns: Held in Atlanta, Georgia, December 27-31, 1967, twenty-six students and two chaplains participated in the week which provided opportunity to talk with many leaders in the Atlanta area who, from various perspectives, were seeking to aid in the solution of that city's problems, helping the students to gain insight into their responsibility as Christians in this dimension of our social concern.

2. The Campus Tour: During the Spring Semester, Dr. David Pittman, Minister of Education at Pullen Memorial Baptist Church in Raleigh, spoke to twelve campus groups on "New Forms of Church and Ministry."

3. The Spring Conference: Held at Immanuel Baptist Church in Greenville, North Carolina, April 19-21, Dr. William C. Smith, Jr., from the University of Richmond, spoke on "A Theology of Evangelism." Discussion groups, presentation of "Good News" and elec-

tion of officers, along with the dedication of the East Carolina University Baptist Student Center, were among the highlights of the Conference.

4. The Summer Service Programs:

(1) The LISTEN Program: (Student supported)

- a. North Carolina project: Six students and two staff members worked with the Dan Valley Baptist Mission Center in Eden, North Carolina, in repairing physical facilities and assisting with day care and camping program, and in the construction of a cabin at Mundo Vista, WMU Camp near Asheboro.
- b. Utah-Idaho project: Six students and two supervisors renovated worship facilities for a Spanish speaking congregation in Utah and helped construct a worship facility in Idaho.
- c. Nicaragua project: Four students and two supervisors from Western Carolina University did construction work for an orphanage on the Solentiname Islands in Nicaragua. They also assisted with planting small crops, teaching English, sewing and cooking.

(2) The Apostoloi Program: Two teams of four students each worked in sixteen churches presenting dramas, leading discussions, recreation, and worship. The program seeks to strengthen the ministry to young people in local churches.

(3) The Baptist Youth Corps: Twenty students worked in twenty churches for ten weeks during the summer in an effort to strengthen and expand the ministry to youth in local Baptist churches.

5. Senior High Conference: Held August 5-9 at the North Carolina Baptist Assembly, the theme for the week was "New Frontiers: Human Relations." There were major addresses, worship, recreation, dramas, films, talent show, and discussions on several topics related to the theme.

6. The State Officers' Retreat: Meeting at Camp CaRAway near Asheboro August 26-30, thirty-five students and the Student Department staff made plans for the events of the coming year and participated in several hours of group sensitivity training under the direction of Dr. Derek Shows, Department of Psychiatry, Duke University.

7. Baptist Student Convention: Held November 1-3 at the First Baptist Church, Asheville, the theme was "To Every Man and Nation." This is the first time the major emphasis of our student convention was placed upon an interpretation of the various aspects of the Baptist Student Union program.

8. International Student Conference: Sponsored by the Woman's Missionary Union and the Department of Student Work, International and American students met November 27-December 1 at Chowan College, Murfreesboro. The conference focused on dis-

cussions, fellowship, trip to Williamsburg and Jamestown, Virginia, and an interpretation of an American Thanksgiving.

9. Student Publications:

- (1) THE REVEILLE features creative student writing, art, and photography.
- (2) A "Newsletter" serves to facilitate communication between campuses on various concerns of the BSU's.

III. OTHER ACTIVITIES AND EMPHASIS

1. On-to-College Emphasis
2. Student Night at Christmas
3. Missions Conferences
4. Student Conferences at Ridgecrest and Glorieta

4. Church Music Department

JOSEPH O. STROUD, *Secretary*

The objective of the Church Music Department, a ministry of the Division of Church Programs, is to be of assistance to the churches and associations of the Baptist State Convention in establishing, conducting, enlarging, and improving the music program in the individual church.

The assistance of ten Regional Directors and ten Music Con-

sultants has helped to make the past year a most successful one.

The Music Department has participated in or has provided leadership for over 25 associational Schools of Music, Workshops, and other training projects. The department has given counsel and guidance to many other associations in their training programs.

Over 1,600 persons attended the three weeks of music study at the North Carolina Baptist Assembly and at Fruitland Baptist Camp. Five thousand nine-hundred six choir members participated in the 20 Regional Choir Festivals and 1,941 participated in the four Junior State Choir Festivals. Three-hundred fifty selected intermediates participated in the first Youth Festival-Workshop held at Wake Forest University. Eighteen choirs participated in four First Timers Choir Festivals.

The department also provided study opportunities in Worship and Hymn Singing for Pastors' Conferences, associations, and individual churches; provided associational officer training and counseling; directed music and provided music leadership for activities of other departments of the Convention; assisted in revivals; counseled with pastors and committees seeking staff personnel; and provided pamphlets for study.

The department seeks to serve any and all churches through the expansion of the present program and the launching of several new projects for the coming year.

5. Church Building Planning Department

RICHARD D. SMITH, *Secretary*

It would be wise for every church to take a survey of its needs, especially considering the need for additional property. All across North Carolina property cost is increasing. If our churches are to provide adequate worship, education, and recreation facilities for their people, it will be necessary to have the space needed to carry on these programs; a minimum of approximately one acre for every two to three hundred people is suggested. Careful planning is necessary when it is realized that North Carolina Baptists spent over \$16,000,000 last year for property, church buildings, and renovation of existing buildings. The proper location of new buildings in relationship to existing ones is very important. Adequate parking must be planned, with a covered entrance for inclement weather if at all possible. Maintenance of existing facilities, which will protect the investment and add beauty to the appearance of the property must be given attention. Fire safety of the buildings is an imperative. The Church Building Planning Department tries to assist churches with this planning. The department is a direct link with the Church Architecture Department of the Sunday School Board, and its services are at the disposal of every church affiliated with the Baptist State Convention of North Carolina. Information is gathered from the local church as to their particular need and forwarded to the architects in Nashville. They give assistance by providing long-range plot-plan studies, floor-plan

studies, help with interior decoration, landscaping, church libraries, fellowship halls, and renovation of sanctuary or educational facilities.

Realizing anticipated program changes by 1970, it is suggested that each church carefully consider their present programs in the light of the new grading system. This office will be delighted to work with each church in looking at its present program and making suggestions as to how the present facilities can be adapted to meet the new grading system. In some cases, new space will be needed; in others, re-arrangement of existing facilities will be all that is necessary.

To provide state-wide information, two Building Conferences were held during the year — one in Raleigh, and one in Hickory. Approximately 60 churches used the opportunity offered by these conferences to get expert advice about various phases of their building program.

During the year individual assistance was given to about 700 churches in most of the Associations of the state by personal visits to the church field, office visits of committees and pastors, telephone calls, and free literature mailed out. Nine Church Building Fund Consultants have been trained to help the church in promoting a building fund program, and their assistance is available upon request. A list of business concerns that deal with products necessary in church building, renovation, or maintenance has been prepared by this office as well as several new publications by the Sunday School Board; these too are available upon request. It is hoped that each church will use this Department's services as they look forward to the future in their building needs.

6. Brotherhood Department

J. EDWIN BULLOCK, *Secretary*

One of the most significant characteristics of the 1968 year for the Brotherhood Program is that the missions objective has had its greatest reception by the men and boys in the churches. The new method books, along with the Mission Action Survey and Guide materials, used by both men and women, have gone a long way in helping the men to see how they can become involved in the missions task. The number of mission units accepting specific mission action assignments is on the increase, and it would appear that 1969 should be a year of cultivating new missions enthusiasm.

In February of 1968, Luther Osment came to assume the role of Associate in the Brotherhood Department. Mr. Osment is a Texas native and a graduate of Carson Newman College and Southwestern Seminary. He came to the Department from the pastorate of the Reed Memorial Baptist Church in Asheville. His experience as the Buncombe Associational Royal Ambassador Leader and as a very capable leader in Religious Education as well as youth work, has already made him a tremendous asset to the Brotherhood Department.

The year, 1968, has also been a year of numerous Brotherhood

programs with record breaking attendance in almost every session. Approximately twenty-five hundred Baptist men and Royal Ambassador boys attended the Congress in Charlotte, March 29 and 30. The second Senior Citizen's Retreat at Camp CaRAway in April, was a tremendous success as was the Family Camping Week End in May. Although the Family Camping Week End has been a part of our program for the last several years, it was generally agreed that in 1968 we had the best attendance and our finest Missions program. Two Baptist Men's Mission Retreats were held at the camp in the Fall, and a number of laymen received training, preparing them to teach the mission books in the churches.

Leadership Training was the major emphasis of the year as numerous laymen and ministers assisted the Department Staff in the training of Royal Ambassador Counselors and Baptist Men's Officers. This training took place in three sessions at Camp CaRAway, thirty Associational Brotherhood Workshops, six Regional Leadership Training Courses, and numerous sessions in the local churches.

The year, 1968, proved to be a most fruitful year for the North Carolina Royal Ambassadors. Approximately four hundred attended the Fourth National Royal Ambassador Congress in Oklahoma City. Two hundred and twenty-five took part in the extended Mission Tour sponsored by the Department. Over one thousand boys attended one of the nine weeks at Camp CaRAway during the summer, and more than four hundred attended one of the two weekend Royal Ambassador Camps in the Spring. Another thousand attended one of the "See Baptist College Days," for a program as well as a football game which was enjoyed along with their Counselors and Fathers.

World Missions Week at the North Carolina Baptist Assembly which the Department sponsors jointly with Woman's Missionary Union and the Division of Missions, proved to be the best attended week in the history of the Assembly programs. It was a good week and a profitable experience for all who attended. One of the most fruitful experiences of the year, was the project the Department sponsored along with the Convention in planning and promoting the Laymen's Mission Tour through five South American countries. In this program, which was a part of the Crusade of The Americas effort, twenty-seven North Carolina Laymen also attended the Laymen's Evangelistic Crusade in Rio de Janeiro, Brazil. These men brought back a testimony of what they witnessed, both on the Mission Tour and at the Evangelistic Crusade, which should be instrumental in the success of the Crusade of The Americas in North Carolina.

The new age division for all church programs indicates that the Brotherhood Department can anticipate the challenge of working with new age level Mission Units beginning in 1970. With this in mind, numerous preparations and orientation conferences will have to be held in 1969. The first Royal Ambassador Track Meet is planned for Wake Forest University in the Spring of 1969. A

giant Baptist Men and Boy's Congress with the Crusade of The Americas theme, "Christ The Only Hope," is being planned co-operatively with the Laymen's League of the General Convention and is to be held in the Memorial Coliseum in Winston-Salem, March 28 and 29, 1969. Nineteen sixty-nine, gives every evidence of the fact that the Brotherhood Department can expect continued growth in its program of Missionary Education and Action for men, young men, and boys in the churches.

7. Woman's Missionary Union

Auxiliary to the Baptist State Convention

MRS. R. KNOLAN BENFIELD, *President*

SARA ANN HOBBS, *Executive Secretary*

Since this report is read most often by pastors and associational superintendents of missions it is written mainly to acquaint the reader with services offered to churches and associations by Woman's Missionary Union. These services fit into three main categories: meetings, field services and special projects.

MEETINGS

Woman's Missionary Union Annual Session, held at City Auditorium, Asheville, March 12-14, attracted between 1,800 and 2,000 women. Each church is entitled to 3 delegates representing the Woman's Missionary Union or youth leaders in churches having no Woman's Missionary Union. The meeting is open to visitors with no limitation on the number from a church who may attend.

The State YWA Convention at Temple Baptist Church in Durham, held February 16-17, was attended by 1,000 young women with another 250 turned away since the church would accommodate only 1,000. It was planned and directed by Miss Linda Warren, state YWA director.

May 10-11, a Day Camp for Associational Sunbeam Band directors was conducted at Camp CaRAway by Miss Bernice Popham, state Sunbeam Band director, with 15 directors in attendance. This meeting was designed for more intensive training for day camp leadership with a small group. Room and board was provided for those attending by Woman's Missionary Union through the Heck-Jones Memorial Offering.

Eight weeks of Girls' Auxiliary Camps under the direction of the state GA director, Miss Sara Ann Hobbs, were held at North Carolina Baptist Assembly and at Fruitland Baptist Camp during June and July. These were attended by 1,694 GA members. The camp staff was composed of 27 college and seminary students and teachers, most of whom worked the full eight weeks.

Training for associational leaders was offered in two Workshops for Associational WMU Leaders held August 23-24, at Forest Hills Baptist Church, Raleigh, with 194 in attendance and September 6-7, at First Baptist Church, Black Mountain, with 215 in attendance.

FIELD SERVICES

One or more of the age-level directors, WMS, YWA, GA or Sunbeam Band, taught leadership courses in 14 associations giving 156 hours of teaching time to assist churches in improving the missionary organizations.

Woman's Missionary Union leadership participated with the other church program organizations in two weeks of Church Leadership Conferences during March. These conferences were for the specific purpose of acquainting WMU leadership with the new organizational plans under which all age-level organizations operate beginning October 1, 1968. To these conferences were invited the associational WMU president, associational youth directors and church WMU presidents. A total of 996 women attended the 8 meetings. In a further attempt to introduce church leaders to the new WMU organizational plans the state WMU president, vice presidents, 4 Executive Board members, executive secretary or one of the age-level directors attended 59 Annual Associational WMU Meetings.

For Sunday services, banquets, GA coronations or other church meetings, 5 state leaders were in 16 churches. This number will always remain small as priority is given to associational meetings.

SPECIAL PROJECTS

The most ambitious project of Woman's Missionary Union at this time is the construction of Camp Mundo Vista at Asheboro at a cost of approximately \$250,000. The activity building and dining hall are nearing completion, several of the proposed 20 cabins are finished with others under construction. Play areas are completed and ground cleared for all major buildings. All YWA and GA camps and retreats will be held at the new camp in the summer of 1969. Money for construction of the camp is being received through the Heck-Jones Memorial Offering for WMU Promotion and special gifts. The 1968 goal for the Heck-Jones Offering was \$62,500 and the amount received (by October 1) was \$54,193. Books are not closed until December 31 so additional funds are anticipated. All monies beyond \$32,500 will be used for camp construction. Projected plans call for amortization of all building loans within a 10 year period.

Gifts to the Lottie Moon Christmas Offering for Foreign Missions totaled \$1,506,000 exceeding the goal by \$6,000. The Annie Armstrong Easter Offering for Home Missions amounted to \$436,000 exceeding the goal by \$36,000! Woman's Missionary Union also promotes the State Missions Offering, preparing programs for use by the age-level organizations, but keeps no record of gifts by WMU members.

At Christmas Woman's Missionary Union gives one book and one magazine subscription to each native North Carolina woman serving under the Home or Foreign Mission Board; a book to each missionary associate, journeyman or one serving in the US-2 program,

and each retired native North Carolina woman missionary. Last year books and magazines were sent to 109 missionaries in 31 countries.

According to reports from the Research and Statistics Department of the Sunday School Board, 164,608 women, young women and children were enrolled in 10,156 missionary organizations in churches in North Carolina. They are divided as follows:

2,435 Woman's Missionary Societies.....	85,773 members
941 Young Woman's Auxiliaries.....	7,714 members
3,460 Girls' Auxiliaries.....	33,820 members
3,216 Sunbeam Bands	36,188 members
104 Age-level organizations in church missions.....	1,113 members

These figures reflect a loss in organizations and membership. This is partly due to the fact that these figures are taken from the Uniform Church Letter to the Association. These have always shown less organizations and members than reports from associational WMU leadership mailed to the State WMU Office. Perhaps next year's records will give a better basis for comparison when the Uniform Church Letter becomes the only report form used by church Woman's Missionary Unions. But even inaccurate reporting does not alter the fact that in the 3,441 churches in North Carolina approximately 1,006 do not have Missionary Societies and 2,500 do not have Young Woman's Auxiliaries! The number without Girls' Auxiliaries and Sunbeam Bands is not as large but there are still many churches without any missionary organization.

Woman's Missionary Union experienced a great loss when Miss Miriam Robinson, Executive Secretary, resigned to join the faculty of Belmont College, Nashville, Tennessee on August 1. Miss Robinson served in this capacity 13 years from June 1955 until August 1968. Elected to succeed her was Miss Sara Ann Hobbs, who had served as North Carolina YWA director 1958-66 and GA director 1966-68.

The 1969 Annual Session of North Carolina Woman's Missionary Union will be held in Ovens Auditorium, Charlotte, March 11-13. Each pastor and associational superintendent of missions is cordially invited.

The leadership of Woman's Missionary Union invites you to join hands with them in seeking to teach missions effectively and in leading all women, young women and children to become missionaries.

8. Department of Camps and Retreats—Camp Caraway

B. W. JACKSON, *Director*

The ministry of the department centers around Camp Caraway. The Royal Ambassador Camps during the summer brought about 1,000 campers and leaders from about 170 churches across the state. These camps were served by a fine group of college and high

school students, and other program leaders. David Langford, Southeastern Seminary, served as Program Director.

In addition to the Royal Ambassador Camps, Caraway had more than 4,500 others to use the facilities during the year, with the facilities being used all but eight weekends or weeks during the year, October 1967-September 1968. Groups using the camp included Youth Camps, Royal Ambassador Weekend Camps, Chinese Spring Retreat, Men's Retreat, Retired Men's Retreat, Silent Workers, Baptist Student Union leaders, Leadership meetings, School Camps, and varying church and college groups. The Convention is rendering service to our churches and groups by making facilities available for this growing type of meetings.

Other services of the department include:

1. Aid in planning *Camp Mundo Vista*, and in charge of site development and construction of the camp, working toward occupancy in June, 1969.

2. Site planning and developing the Master Plan for the J. J. Johnson Baptist Assembly and Camp of the General Baptist Convention, to be located near Laurinburg.

3. Family Camping, with camp used for Brotherhood Family Camping weekend, and others during the year.

4. Camping and nature study demonstrations and helps rendered to various groups, including Sunbeam Day Camp leadership, American Camping Association and Christian Camps and Conferences Association District Meetings.

Future plans for Camp Caraway include road improvements, landscaping, improvement of Family Camp, and additional services in retreats and conferences.

Earl Underwood is assistant in charge of buildings and grounds. Matthew Marlowe serves as cook.

9. North Carolina Baptist Assembly

FRED J. SMITH, *Manager*

The year 1968 was the best yet at the Assembly by the Sea. 6,378 people attended the summer conferences. Another 2,466 people were involved in pre- and post-season activities.

Each year new people discover the Assembly. They find it a place of Christian educational conferences and programs along with many recreational outlets.

Commuting One Day Guests.....	143
Grand Total	8,987

The new Rachel E. Hatch Memorial Auditorium was dedicated on July 17. It will seat a thousand, with complete heating and air conditioning facilities.

The new swimming pool added much to the recreational program and to the pleasure of the guests, both young and old.

The staff was composed of ninety people who worked hard to provide for the guests. They are to be commended for their co-operation and support.

Plans and improvements for 1969 include air-conditioning the motel units; installing a new sewer system; and building a recreation and bath house area around the new swimming pool.

Individuals and churches should make plans early for reservations for 1969. For information write the North Carolina Baptist Assembly, Southport, North Carolina.

11. Department of Statistics and Survey

TED W. WILLIAMS, *Secretary*

The department has experienced a good year. Close contact is maintained with the Research and Statistics Department of the Baptist Sunday School Board in Nashville and with the clerks of the various associations. The resulting team spirit insures fast and efficient gathering of data for inclusion in the Convention Annual. The department is especially grateful to the associational clerks for their fine cooperation.

In addition to the regular routine of keeping current mailing lists, preparing the Baptist Diary and supervising its distribution, supervising publication and distribution of the Convention Annual, and conducting certain statistical studies; the department has answered many calls from churches and associations for local and associational-wide surveys.

Constant effort is made to improve the service of the department. Mrs. Carl Lusk is the office secretary. Her very efficient and courteous service contributes much to the work of the convention.

E. DIVISION OF STEWARDSHIP PROMOTION

O. J. HAGLER, *Director*

The Division of Stewardship Promotion is composed of four departments — The Department of Stewardship Development, The Department of Stewardship Promotion, The Department of Program Services, and The Annuity Department. Mr. Cleve Wilkie is assigned to the Department of Promotion and makes his headquarters at Kinston, 2006 Carey Road.

Each department and department secretary has specific responsibilities, though there are overlapping areas and all personnel must have a thorough understanding of the total program of the division.

Basic stewardship development and promotion of scriptural stewardship in the churches, the Cooperative Program, the Forward Program, Growth in Christian Stewardship, Simple Plans for Stewardship Development (in three phases, *How to Plan a Budget*, *Weekend Stewardship Revivals*, and *A Week of Preaching and Stewardship Study*), the special offering for State Missions in September, the Cooperative Program emphasis in October are the main vehicles for emphasizing our work.

To undergird these fundamental plans and programs, and to keep open the channels of communication between the work of the Convention and the churches and associations we depend upon well defined responsibilities for each department.

It is the responsibility of the Director of the division to maintain close liaison with the General Secretary, and to know in detail the fundamental work of each department. He assists in the planning, training, and advising in such a way that all department secretaries have a working knowledge of the Division as a whole and are able to assist in any phase of the work.

No finer spirit of understanding and cooperation could exist, nor could there be greater respect for the initiative and ability on the part of all within the division.

We have a loyal, well-trained staff in our office personnel. This group carries on in a remarkable manner when we are on the field.

We work in the closest possible way with the Stewardship Commission of the SBC and the stewardship organizations in the other state conventions — sharing ideas, producing promotional materials, and planning in such a manner that there will be unity in our work throughout the Southern Baptist Convention.

Our services are offered without cost to the churches. We are fond of saying, "As long as the calendar and our energy hold out we are at your service."

The reports of the department secretaries that follow show in more detail the great scope of the services rendered to the churches.

Our receipts to date for the Cooperative Program and for Special Offerings for 1968 promise an outstanding year. We are running well ahead of our income for 1967, and since the greater part of the income arrives in the Business Office during the last quarter of the year, we have great expectations for meeting the budget as planned and adopted by the Convention in November of 1967.

1. Department of Stewardship Development

R. TOM GREENE, *Secretary*

The development of materials for promotion of biblical stewardship and Cooperative Program enlistment is the basic function of this department. The work during the past twelve months may be divided as follows:

I. LEAFLETS

We have developed in cooperation with Mr. O. J. Hagler and others in this division, and distributed leaflets as follows:

233,000 Basic Cooperative Program leaflets and posters.

200,500 State Missions leaflets and posters.

350,000 Other leaflets and booklets on Stewardship and Cooperative Program.

II. SEMINARS

We held Stewardship Development Seminars for leaders from each association. During the seminars we:

1. Explained and distributed the latest materials on scriptural stewardship and the Cooperative Program.
2. Received the wise suggestions from these officers.

III. WORKSHOPS

Workshops in Stewardship Development were held for the pastor and treasurer of each church in two associations. We had a speaker on the Cooperative Program on the following Sunday in each church requesting this service. The purpose of the workshop was:

1. Give an overall view of Stewardship materials available to help these church leaders develop scriptural stewards.
2. Answer any questions concerning the Stewardship programs and the Cooperative Program.
3. Give encouragement to these leaders to use one or more of these programs and to increase the churches giving through the Cooperative Program for the benefit of their churches.

IV. ARTICLES, ART, AND REPORTS

We wrote articles and developed art on Cooperative Program, Stewardship and State Missions for the *Biblical Recorder* in co-operation with Mr. Marse Grant, Editor.

We published in the August 10 issue of the *Biblical Recorder* the Cooperative Program giving of each church for the first six months of 1968 and made this available in each annual associational meeting. We prepared the materials for the special issue of the *Biblical Recorder* on State Missions for September 7 plus articles on State Missions for four other weeks.

V. OTHER AREAS OF WORK

We have answered the requests of many churches needing help in developing scriptural stewards and Cooperative Program giving.

During the past twelve months in doing this work for you in Christ's name, there were twelve added by baptism to the churches for which I preached and eight by letter.

Dr. W. Perry Crouch, General Secretary-Treasurer of our Convention, Mr. O. J. Hagler, Director of the Division of Stewardship Promotion and the other personnel of this division have given wise counsel and help in all the work of this department. Mrs. Susan Cochran, office secretary, has given valuable help in our common task.

To those above, plus each pastor, associational leader, General Board member, and our entire Convention staff, we express our thanks for their genuine cooperation.

2. Department of Stewardship Promotion

HAROLD M. WHITE, *Secretary*

The Department of Stewardship Promotion serves churches and associations by scheduling and conducting workshops and training sessions in the latest stewardship and church finance techniques, methods and materials. Use of these methods and materials enables churches and associations to increase their budgets, find larger financial resources to meet local and world mission needs, and to deepen the spiritual life of people. The spiritual growth of the individual into stewardship maturity is a primary objective.

The principal responsibility of the secretary is two-fold:

1. To promote a plan of scriptural stewardship promotion and enlistment in the churches of the Baptist State Convention of North Carolina.

2. To promote world missions through the Cooperative Program which is the primary channel of support for all missionary and benevolent activity.

Specific responsibilities assigned to this department are:

1. Plan and direct workshops in the Forward Program of Christian Stewardship, Growth in Christian Stewardship and Associational Stewardship Development.

2. Conduct introductory conferences and training sessions with local leadership preparatory to use of the above programs.

3. Work with other division personnel in the development of a total stewardship program.

Other major activities include: Stewardship Revivals, Schools of Missions, tract distribution and cooperation with all divisions and departments in promoting the total program of the Baptist State Convention of North Carolina.

This department is ably assisted by E. Cleve Wilkie, Kinston, Associate in Field Promotion, and Mrs. Dorothy Smith, office secretary.

Our work has been made more effective through the cooperation of pastors, superintendents of missions and associational leaders who have opened doors of opportunity for service.

I sincerely appreciate the assistance of Dr. Perry Crouch, General Secretary, Mr. O. J. Hagler, Division Director, and other staff members. It is a privilege to serve North Carolina Baptists and I am grateful for the opportunities of working with them.

3. Department of Stewardship Promotion

E. C. WILKIE, Associate

In these days of astronomical numbers, I can at least think in terms of thousands. I know I have driven THOUSANDS of miles up and down our beautiful state, and have contacted, fellow-shipped with, or spoken before THOUSANDS of good Baptists, all of which consumed THOUSANDS of pleasant and profitable hours. And I would like to think that all the going and speaking resulted in THOUSANDS of extra dollars flowing from our churches into our World Mission Program, but I wouldn't dare speculate on the nature of the impact my work makes on our people and churches. I do know I want to take this opportunity to express THOUSANDS of thanks to our great people for the privilege of serving them and for the fine reception I have received as I came to them in behalf of Stewardship and Missions. And a MILLION thanks go to all my fellow workers in the Stewardship Division for their help, guidance, inspiration, and encouragement.

A detailed statistical summary of my work would reveal that I served in at least 18 broad categories, speaking in over 100 churches and making contacts with individuals and groups in well over 400 churches.

These varied services included such things as evangelistic meetings, Stewardship Emphasis weeks and week ends, dedication and

homecoming sermons, pulpit supply, stewardship clinics, seminars, committee training, and fellowship suppers, Brotherhood addresses, study courses, schools of missions, schools for deacons, R.A. camps, annual associational meetings, pastors conferences, and group meetings, plus general field work and promotion, including wide distribution of tracts, posters, and literature. I also attended a dozen denominational meetings such as the General Board, staff meetings, conferences and conventions.

I face my twelfth year of service to the Baptists of North Carolina with hope, optimism, and confidence. I have faith that our best days for the glory of the Lord are yet to come.

4. Annuity Department

GUY S. CAIN, *Secretary*

REPORT OF CURRENT PARTICIPATION

A recent southwide summary shows 23,534 men holding certificates in the basic Plan "A," Southern Baptist Protection Plan. In North Carolina churches are being billed for 1,823 of these men. This does not include group participation in our state institutions and agencies. Of our 3,441 churches in the North Carolina Baptist State Convention, 52 per cent are not participating in the Retirement Program for their pastors.

Health Benefit Plan southwide enrollment is 14,276; 858 in North Carolina.

Life Benefit Plan enrollment is 11,486; 1,097 in North Carolina.

REPORT ON ANNUITANTS

Our most recent report shows 226 men receiving monthly checks and 158 women receiving monthly checks.

Many of these checks are small due to (1) small salary base participation, (2) late enrollment giving short time of participation.

Social Security report shows that at the end of 1967 1,331 pastors were enrolled in Social Security. Most of these men have both Social Security and the Southern Baptist Protection Program. The economic conditions of the times dictate that all of our pastors need both these programs for retirement and family protection.

PENALTY WAIVER FOR LATE ENROLLMENT

During 1968, the first official year of the new certificate in Plan "A," all of those men who have delayed getting their certificate in the program have this "grace period" which "waives the penalty for delayed participation." This penalty affects all of the provisions of Plan "A" except the retirement credit. Thus, it is urgently important that pastors and associate ministers not yet enrolled do so before this calendar year ends.

To Upgrade the retirement program ten percent of total salary

should be in the budget; the increased deposits will be placed in Plan "B" or Plan "C." In recent years many churches have taken this step.

Of Our Institutions and Agencies eleven have some enrollment in the retirement program. These are:

Baptist Children's Homes
Baptist State Convention
Campbell College
Chowan College
Gardner-Webb College
Meredith College
N. C. Baptist Homes for the Aging
N. C. Baptist Hospital
Southeastern Baptist Seminary
Wake Forest University
Wingate College

Through the Annuity Board all Baptist institutions and agencies, including churches with ten or more employees, have opportunity for a good group life insurance program which offers insurance for fifty cents per month per thousand, fifty-five cents per month per thousand, double indemnity.

A new group disability insurance program is now being made ready for employees of all of our churches, institutions and agencies.

5. Department of Program Services

JIMMY MORRISS, *Secretary*

The Department of Program Services promotes the total Baptist program through the divisions of the General Board, agencies, institutions and associations. It is a department that is primarily public relations and is incorporated in the Division of Stewardship Promotion. The work of the department may be divided as follows:

I. AUDIO VISUAL AIDS

A. *Film Library*

During the past year, the department booked more than 12,000 free rental films. We estimate that approximately 60 per cent of the churches in the Convention are using audio-visuals regularly. A large number of day-care centers and kindergartens are making use of this library in their week-day ministries and this number is steadily growing. The department encourages planning for a basic library of audio-visuals at both associational and church levels, with supplementary titles provided by the department library. At present, this library has over 2,500 titles covering every area of denominational endeavor.

B. *Film Production*

This year, the department has prepared and catalogued some 800 color slides for use in illustrating the various ministries and

aspects of the state Baptist program. Over 500 pictures on all areas of Convention ministries were produced in various promotional and news media. The department worked closely with other Convention offices in compiling articles and pictures for State Missions emphases.

C. Communication Conferences

At the request of the associations and churches, a number of "one-night stand" demonstrations were held. In cooperation with the Division of Church Programs, the department sponsored a state-wide Communication and Administration Workshop in Greensboro with approximately 400 pastors and key leaders present for the two day session. Communication conferences were also held with the Mecklenburg and South Roanoke Associations. Communications was the central topic of the annual meeting of the Union Association. The department assisted in a Central Training School in the Robeson Association and held a special A-V Clinic at Fruitland. A number of associations were assisted with A-V clinics including Dan Valley, Columbus, and Raleigh.

D. Audio Aids

More than 3,000 messages were re-produced at the requests of pastors and churches this year. Major messages of all the conventions and conferences were recorded and placed in the central convention tape library. Some 40 churches were assisted in sight and sound planning in building and remodeling programs.

II. GRAPHIC ARTS

Over 300 individual lay-outs were designed and prepared for printing this year. These included posters, programs, folders, forms and stationery.

III. NEWS SERVICE

Our responsibility to provide news coverage of state Baptist work to some 485 newspapers, radio and television stations culminated in at least 50 articles for state-wide release. Complete pictorial and news coverage on State Missions was provided for the *Biblical Recorder* and *Charity and Children*.

IV. TELEVISION AND RADIO

The department continues to produce the network series, A LIGHT UNTO MY PATH, a mission work of the Convention designed to reach the deaf, the aging and the unchurched. The program is presented over a state-wide network including WRAL-TV, Raleigh; WLOS-TV, Asheville; WFMY-TV, Greensboro; WBTV, Charlotte; and WNCT-TV, Greenville. Also providing coverage for North Carolina Baptists is WIS-TV, Columbia, South Carolina. The series is carried by nine other stations outside North Carolina sponsored by a church or convention in that state. Many outlying cities and areas of our own state are being reached by cable television.

Also produced are BIBLE STORY TIME, a weekly color program for pre-school children and CHURCH OF OUR FATHERS, a weekly 30 minute color news program. Special programs were produced for Christmas, Easter and Thanksgiving. The department also works closely with the Southern Baptist Radio and Television Commission.

V. OTHER AREAS

The department has two approved summer workers at the summer assemblies, showing more than 300 film presentations each season. Equipment and supplies for the season at both Fruitland and Caswell are provided through the department. We assisted the Department of Town and Country Missions in the presentation of filmed messages in the following resort areas: Nags Head, Atlantic Beach, and Ocean Isle and White Lake and Lake Norman.

F. DIVISION OF CHRISTIAN HIGHER EDUCATION

Council on Christian Higher Education

R. N. SIMMS, JR., *President*

BEN C. FISHER, *Executive Secretary*

ENROLLMENT

The following total enrollments in the North Carolina Baptist colleges and university were reported as of October 15, 1968 by the registrars:

Campbell College	2,402
Chowan College	1,338
Gardner-Webb College	1,316
Mars Hill College.....	1,306
Meredith College	995
Wake Forest University.....	3,177
Wingate College	1,588
Total	12,122

COUNCIL MEMBERSHIP

The Council on Christian Higher Education is the oldest educational cooperative in North Carolina and one of the oldest in the country. This program of interinstitutional cooperation of the seven North Carolina Baptist colleges was begun almost 25 years ago. The Council membership is made up of the following: presidents of the colleges, deans of the colleges, chairmen of boards of trustees of the colleges, and 16 members of the General Board's Committee on Christian Higher Education. Ex-officio members of the Council are Dr. W. Perry Crouch, executive secretary-treasurer of the Baptist State Convention; the Reverend Gilmer Cross, president of the General Board; Dr. Claud B. Bowen, president of the Baptist State Convention; and Mrs. R. Knolan Benfield, president of the State Woman's Missionary Union.

The following new members were elected from the General Board to the Council membership last year: Carl E. Bates, W. E. Brandon, Warren Bush, Merrill Evans, W. A. Johnson, Justus McKeel, and Carlos Young.

BAPTIST COLLEGE DAY, 1968

The theme for Baptist College Day, 1968 was "Youth's Challenge to Church and College." Something positive needs to be said to and for today's college students. The following is taken from the bulletin inserts which were distributed in many North Carolina Baptist churches on Baptist College Day:

The most misunderstood, the most misrepresented, the most maligned group in contemporary society is today's college student. The excesses of a few have come more and more to be viewed as the way of life for all.

The picture of today's college student as rebellious, indifferent, immoral, hard drinking, drug addicted 'problem child' is a totally erroneous picture. Today's Hippie, like yesterday's Beatnik, represents less than three per cent of all the students enrolled in college.

If the Christian church and the Christian college are to take seriously their obligation to minister to modern youth, both must seek a new understanding of young people—their problems and frustrations, their values and their hopes, and the revolutionary society in which they are growing up.

Since the message of the church is redemptive, there is an obligation on the part of both the churches and the colleges to discover why groups like the Hippies have experienced such complete alienation from the institutions and mores of contemporary society. Jesus, on one occasion, reminded his followers that he had come to minister to the sick, not to the well. The church and the institutions of the church have never faced a greater challenge than they face today to reach out with a message of love, hope, and concern to all young people.

Today's college student is more open to religion and more concerned with ethical values than may at times appear on the surface. . . .

However, he is not interested in religion as an abstraction. He wants religion to be a meaningful, living experience. For him religion must relate to life and by life he means people. The truth is that there is not a single commandment or major church doctrine which does not have social implications. The modern college student, on the whole, takes brotherhood more seriously than his elders, and sometimes more seriously than his church.

One of the chief characteristics of today's youth is his sense of justice and fair play. For him justice is an inclusive and universal term. He wants a voice for himself, but he also wants it for every human being. He would honestly like to have part in building a better world, and nowhere has this willingness been better

demonstrated than in his response to the work of the Peace Corps, and within the framework of our own denomination to the US-2 and the Journeyman programs of the Home Missions Board and the Foreign Mission Board.

Let's not sell our college students short. Today in college and university classrooms all over the land, we have mature, intelligent, and concerned young people who will heed the message of the church and respond to its mission, if we care enough to try to reach them. This is the challenge to Baptist churches and their colleges.

The Council is grateful that more and more churches each year are observing Baptist College Day. The objectives of Baptist College Day are to inform Baptist people about the work of our colleges and to enlist financial support in the special offering. The undesignated offering is divided among the Baptist colleges and is placed in their student aid fund. Christian vocational workers have first claim on these resources.

BEST SEMINARS

The Baptist Education Study Task Seminars were so well attended and evoked such a positive response that it was the unanimous decision of the seven colleges to set a date again this year when area pastors and church leaders will be invited to the college campuses to assess common problems and common goals. The North Carolina Baptist colleges led the way in setting up a workable program to make use of the findings of the two national study conferences on Christian higher education. Several other states this year are following the pattern of the North Carolina Baptist colleges.

THE CRUSADE OF THE AMERICAS

The Council on Christian Higher Education is already involved in the promotion of the Crusade of the Americas in North Carolina. Special committees have been established on each college campus. The following have been named by the presidents as campus chairmen: Dr. Millard Brown, Campbell College; Dr. R. Hargus Taylor, Chowan College; the Reverend Charles W. Freeman, Gardner-Webb College; the Reverend Robert Melvin, Mars Hill College; Dr. Charles Tucker, Meredith College; Dr. L. H. Hollingsworth, Wake Forest University; and the Reverend Thomas Faulkenberry, Wingate College.

The Crusade of the Americas has three major objectives: (1) The deepening of the spiritual life within the churches, homes, and individual Christians; (2) The evangelizing of the American Continent; (3) The establishing of true moral and spiritual bases for the betterment of mankind's economic, social, and physical welfare.

INTERDEPARTMENTAL FACULTY MEETINGS

The Interdepartmental Faculty meetings are a major responsibility of the Council on Christian Higher Education. The faculty

members of 15 disciplines are brought together every two years for a two-day meeting. These meetings have established vital links of communication between the faculties of the seven Baptist colleges. The interdepartmental meetings include the following areas: English; Foreign Languages; Social Sciences; Physical Education and Health; Bible, Religion, and Philosophy (Baptist Student Directors and Chaplains meet with this group); Mathematics and Natural Sciences; Education and Psychology; Business Education; and Music and Art.

During the past year the following meetings were held: Music and Art — Campbell College; Physical Education and Health — Gardner-Webb College; Bible and Philosophy — Meredith College; and Natural Sciences and Mathematics — Wake Forest University.

COUNCIL MEETINGS

The Council meets four times each year, including a two-day session on the campus of one of the colleges. This year the annual meeting was held at Mars Hill College.

SUPPORTING THE COOPERATIVE PROGRAM

Cooperative Program Budget to the Colleges, 1968

Campbell College	\$ 272,377
Chowan College	163,100
Gardner-Webb College	154,945
Mars Hill College	234,864
Meredith College	234,864
Wake Forest University.....	399,595
Wingate College	171,255
	<hr/>
	\$1,631,000
Council Expense	33,000
	<hr/>
Total	\$1,664,000

The Cooperative Program funds budgeted for Christian higher education for the next fiscal year are \$715,200. This amount plus the Baptist College Day offering approaches \$2,000,000. Nevertheless, we must keep in mind that the operating costs of our colleges are escalating at a much more rapid rate than we have been able to increase our gifts to the Cooperative Program. It needs also to be noted that the same thing is true in most other areas of our work. The current operating budget for the seven Baptist colleges for the year 1968-69 is approximately \$32,000,000. This is exclusive of capital needs.

However, the Cooperative Program income continues to be the greatest single source of income outside of student fees. Each Baptist college president, both in the Council meeting and at other public gatherings, have paid a deserved tribute to North Carolina Baptists for their generous support of Christian higher education.

The Cooperative Program is the finest expression yet devised for translating into action our missionary, evangelistic, and social concerns. The Council on Christian Higher Education pledges its cooperation in supporting the Cooperative Program as the best means of demonstrating our desire to carry out the Great Commission both at home and in other lands.

CAMPBELL COLLEGE

WILLIAM M. WOMBLE, *Chairman of the Board of Trustees*

NORMAN A. WIGGINS, *President of the College*

The 1968-1969 session marking the institution's eighty-second year has opened with excellent prospects for a very great year with a record enrollment of 2,393 of whom 2,319 are full-time students.

The most significant event in the 1967-1968 school year was the fact that Campbell College was presided over by a new President, the third since the founding of the school in 1887. Dr. Norman Adrian Wiggins assumed office on June 6, 1967.

Under the leadership of its fine Board of Trustees, the College closed on May 31, 1968, one of the finest years in its history as a senior college. During the year 1967-1968 degrees were granted to 482 young men and women.

The College closed the year with a balanced budget. Total gifts to the college for all purposes were the largest for any single year in the history of the College. In addition, a total of 1,098 different students enrolled during the 1968 twelve-weeks summer school, the largest in the history of the college.

For many years, Campbell has operated an outstanding basketball school. In 1968 more than 1,600 young men were in attendance. In addition, young people from churches and associations availed themselves of the opportunity to visit the campus for study and recreation. The highlight of the summer activities was the meeting of the General Board of the Baptist State Convention which was held on the campus in July.

Off-campus activities were highlighted by the 21-day European tour of the Campbell Choir and by the two sessions of study in South America by students participating in the Campbell College Latin-American Studies Program. The choir under the direction of Dr. Paul M. Yoder and the Latin American Studies Program under the direction of Dr. S. Herbert Cockburn gave our Southern Baptist people much to be proud of as these two excellent teachers led our students in foreign study and travel.

The primary purpose of the tour of the College Choir was to represent East-coast Baptists at the Baptist World Youth Conference which was held in Berne, Switzerland, July 23-26, 1968.

The college community was saddened by the death of Professor B. W. Jenkins. Professor Jenkins gave Campbell College twenty-four years of distinguished service. As stated by Vice President Burkot, "His memory will linger long and many will call him blessed."

Also, the College suffered a great loss in the retirement of Professor Edna Q. Proffit. For nineteen years, Mrs. Proffit rendered outstanding service to the Department of Chemistry of the College.

With present assets totaling \$10,802,829.00 and with an annual payroll of \$2,365,528.00 for its 438 full-time employees and 321 student assistants, Campbell College proudly takes its place in the Harnett County Community as perhaps its largest single industry, and being the only College in the county, it has naturally become the center of the county's cultural activities.

The institution through its administrators, professors and students continues to contribute many services to the community and state. It provides outstanding musical concerts and theater productions for the area, programs for churches, civic groups, clubs and other organizations.

The tragic loss by fire of the Mathematics-Religion Building at Campbell College on July 8, 1968, is the big news story of the year. This has created serious problems as the College prior to the fire had its academic space in full utilization. By rearranging class schedules, utilizing basement areas and lecture halls for classrooms, the institution will continue under crowded conditions its full academic programs. Through the generous support of friends and a movement now in progress among the North Carolina Baptist Churches and led by the Reverend Tom Freeman, of the First Baptist Church, Dunn, North Carolina, the College hopes to secure enough funds with which to replace the classroom building destroyed by fire, thereby relieving the crowded classroom conditions. Along with the loss of the building, the professors in the Department of Religion lost treasured libraries which included lifetime collections of valuable research papers, slides used as teaching aids, manuscripts and personal filed materials.

Under the leadership of the Board of Trustees, the College is on the threshold of launching a long-range development program designed to enable Campbell College to meet the challenges of Christian higher education. Of significance during the past year was the employment of Mr. Robert H. Rucker, of Texas A & M University, a nationally recognized campus-planning architect, who is now working on a master plan for the development of the campus.

Campbell College feels that in the light of national and world conditions the Christian college is one of the finest investments Baptists are making today. The College is acutely aware and sincerely grateful for the outstanding support which it is receiving from North Carolina Baptists through the Cooperative Program.

Again, the College reaffirms its devotion to the highest principles of spiritual, moral and intellectual integrity. The college solicits the prayers of each and every North Carolina Baptist as it continues its services to the denomination.

In response to the request of the Convention for a financial statement of plant indebtedness, the following report as of September 1, 1968, is submitted by the Business Office.

CHOWAN COLLEGE

H. DOUGLAS WHITE, *Chairman, Board of Trustees*BRUCE E. WHITAKER, *President*

Chowan College began her 121st academic year in September with a full time equivalent enrollment of 1,326 students. Freshmen and transfer students account for 844; sophomores and returning students 449; nursing students at Duke Hospital in Chowan's 33-month Nursing Program, 12; and there are 33 students in other classifications, for a total of 1,338.

New enrollment records have been established by almost every semester since 1957, when 235 students were enrolled. Chowan's total assets during that time, increasing to meet needs of its rapidly growing student enrollment, have grown from less than \$1 million to more than \$6 million.

Most Chowan students are enrolled in liberal arts and sciences; eight are serving medical secretarial internships in hospitals in North Carolina and Virginia in programs operated cooperatively by these hospitals and the college; the third class in Chowan's unique program of education for nursing, 12 coeds, is gaining intensive nursing experience at Duke Hospital; 57 students are preparing for printing and publishing careers in the unique Chowan College School of Graphic Arts; and a number of others are enrolled in terminal business and professional courses.

Completion of the Whitaker Library this summer, named to honor the administration of Dr. Bruce E. Whitaker as President of Chowan since 1957, brought the college's total assets to more than \$6,000,000.00. This library, the tenth new and modern facility added to the campus scene during the past decade, will shelve 100,000 volumes, seats more than 400 students and faculty in several reading areas. Daniel Hall contains space and equipment for music, drama and the Fine Arts. Included in the library is an Antiquities

Room, housing articles of historical interest to Chowan College and the region of northeastern North Carolina and southeastern Virginia surrounding its campus.

The fine arts facilities are named to honor the late Mrs. Jeanette Snead Daniel, who served as a Music professor at Chowan and previously had the college's Department of Music named the Daniel School of Music in her honor. The most modern equipment for expansion of the college's educational program in music, drama and other fine arts is contained in this structure.

Daniel Hall for the Fine Arts and the Whitaker Library cost \$850,000.00 equipped. These buildings are included in a capital funds campaign in which the college is now engaged.

The structure housing Chowan College School of Graphic Arts has been named McSweeney Hall, to honor 16 years of service by John M. McSweeney as Director of this nationally famed school which prepares young people for challenging careers in newspaper mechanical production, printing and publishing.

Chowan College's Endowment Committee has been enlarged and strengthened, setting an immediate goal of \$5 million in General Endowment for the college to undergird its work of educating youth. A plan of action has been established and this plan includes the work of the committee, preparation of literature and information, and follow-up programs with interested and possible donors. Additional training has been provided for staff members and the total Endowment program is being inaugurated, step by step. All concerned are hopeful that adequate plans have been made to undergird the total financial program of the college with a substantial General Endowment fund.

Administrators and professors at Chowan College continually upgrade their education and preparation to provide the best possible Christian higher education to their students. President Whitaker recently returned from a study-tour of European colleges and universities, many behind the Iron Curtain, sponsored by the Comparative Education Society.

Many services are contributed to churches and people throughout the area surrounding its campus by Chowan's administrators, professors and students. All members of the faculty and administration are active church members, more than 75 percent are members of civic and service clubs and, continuing surveys reveal, more than 90 percent are serving in positions of leadership in church and community endeavors. In addition to faculty and staff speaking engagements, last year student groups of speakers, singers and entertainers made 76 appearances before various audiences in northeastern North Carolina and southeastern Virginia. Along with campus facilities and scholastic excellence, faculty membership at Chowan is continually growing and there are now 80 professors teaching the college's students.

With Chowan providing Christian higher education for more people than ever before in the college's long history, plans are

continually being implemented to give young people the individual attention needed to prepare better for a place in tomorrow's world.

The indebtedness of Chowan College as of November 1, 1968, is as follows:

<i>Date</i>	<i>Original Amount</i>	<i>Interest Rate</i>	<i>Purpose</i>	<i>Amount Due</i>
12-1-59	\$235,000	3 1/8 percent	Boys' Housing	\$ 206,000.00

12-1-63	760,000	3 5/8 percent	Girl's Housing & Cafeteria	720,000.00
4-18-66	600,000	3 percent	Library-Fine Arts	600,000.00
Total Indebtedness ..				\$2,013,000.00
Less Sinking Fund				
Reserves				240,980.22
Net Indebtedness on Plant Facilities				1,772,019.78

In the first three instances, loans were made from the Housing and Home Finance Agency, covering a 40-year period and carrying interest charges indicated. In the fourth instance, the loan was from the Office of Education (HUD). In addition, we have a commitment from the Office of Education for \$925,000 (the Convention gave approval of a \$1 million loan), carrying interest charges of 3 percent, for purposes of constructing a new 288-bed dormitory for men; it will be used primarily to house students now living in off-campus and inadequate housing facilities. We are experiencing a great need for a new science-engineering facility, and the Board of Trustees and the Board of Advisors have recommended that we make financial arrangements whereby we can let a contract for the new dormitory and the science-engineering facility at the same time, thus saving tens of thousands of dollars in all likelihood.

Chowan College continues to make persistent efforts to serve Baptists and North Carolinians. Members of the Chowan College Family appreciate strong support from North Carolina Baptists which has immeasurably helped to increase the ministry of Chowan to young people, particularly to the Baptist young people of North Carolina. Every effort is made by the college to solicit the interest of young people from churches affiliated with the Baptist State Convention of North Carolina. Frequent letters are sent from college personnel to pastors regarding their prospective students and college officials also frequently visit in churches and various Baptist Associations.

GARDNER-WEBB COLLEGE

R. PATRICK SPANGLER, *Chairman, Board of Trustees*

E. EUGENE POSTON, *President of the College*

Gardner-Webb College is well on the way in her 62nd year of service to the Baptists of North Carolina. There are 1,312 students

enrolled for the 1968-1969 school year. The faculty, the administration, and the staff total 123. Seven of these are on leave of absence working on their doctorates. There are 40 additional employees that make up the cafeteria and maintenance forces.

One of the highlights of this year's accomplishments was the recruitment of 12 new doctorates for the faculty. They are at work with six doctorates already at Gardner-Webb. Four new doctorates have signed for the 1969-1970 school year. Gardner-Webb College is well on the way to the 30 percent doctorates required for a senior college.

Much attention has been given to the library during the past year. 5,928 new volumes have been added to the holdings during the past 12 months. Dr. Stanley Benson, former head Librarian at Kentucky Southern College, came to Gardner-Webb College this past summer. He is working faithfully to bring the library up to the senior college accreditation standards.

A campus beautification project is underway. A new entrance is being built. It will emphasize a simulated boiling springs and a tower of light symbolizing the Trinity and the praying hands.

Should the Baptist State Convention approve the senior college status for Gardner-Webb, a limited number of majors will be offered to meet the needs of an area where Community Junior Colleges are growing rapidly. The trustees and the administration will start only those programs that can be financed adequately.

This year Gardner-Webb College lost one of her fine trustees. Mr. Wade Short of Ellenboro died September 8, 1968. He had been a faithful member of the Board for several years.

The purpose of Gardner-Webb College is "to develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice." This year the college is sponsoring an area wide evangelistic thrust, September 15-22. The Billy Graham Evangelistic Association is participating in the Crusade. It is interracial and interdenominational. Dr. Grady Wilson is the preacher for the Crusade.

During the past year the Endowment Funds have increased \$108,589 through bequests, gifts and savings. The plant assets increased \$712,580. At the present time the Gardner-Webb College Endowment Fund is valued at \$1,958,467, including an irrevocable trust. The physical plant is valued at \$5,710,013. As of June 30, 1968, Gardner-Webb College owed a debt of \$420,000 to the First Union National Bank of Charlotte, North Carolina. This is being amortized at the rate of \$5,000 per month plus interest. Gardner-Webb has a construction loan in the amount of \$612,000. No repayment schedule has been set up on this loan as of June 30, 1968.

At the present time Gardner-Webb College needs an auditorium and a classroom building. Chapel services are divided into three sections. The present auditorium will seat only one third of the students.

MARS HILL COLLEGE

WALTER R. CHAMBERS, *Chairman, Board of Trustees*FRED B. BENTLEY, *President*

A new spirit of optimism permeates the campus of Mars Hill College. This exciting note has been generated by several accomplishments during the year 1967.

Several committees and organizations within the college family are engaged in studying the Christian emphasis of Mars Hill College. It was discovered that central to our program entitled "Emphasis on Excellence" must be the Christian principles on which this institution was founded and on which it has grown. Our BSU placed greater emphasis on its contact with and service to all of our students. The Christian Life Committee of the faculty and of the Board have held joint meetings in which plans were discussed to enhance the Christian environment on our campus. The administration working through its faculty has made a renewed effort to recruit faculty members who are dedicated churchmen as well as proficient in their academic disciplines. Mars Hill College continues to attract approximately 75 percent of its students from the Baptist denomination.

In a follow-up to anticipated goals of 1966-67 the entire constituency of Mars Hill College was pleased that their institution gained full accreditation by the Southern Association of Colleges and Schools, the National Association of Schools of Music, and received an invitation to become a member of the American Association of Collegiate Schools of Business Assembly.

For the third straight year Mars Hill College received recognition by the American Association of University Professors for the excellent progress made in the area of faculty salaries and fringe benefits. This was, of course, another factor in enabling the administration to attract excellent new professors. Within that same context Mars Hill gained the approval of the Baptist State Convention for participation in the Title III phase of the Higher Education Act of 1965. This program will allow our professors to gain additional preparation which will lead to the doctorate.

The Department of Political Science of the college received a sizable grant from the Z. Smith-Reynolds Foundation to conduct an experimental program in community development which will involve our faculty and students in urban and rural government. It is anticipated that this program will bring national recognition to the college.

As a follow-up to the self-study conducted for the Southern Association of Colleges and Schools, our basic core program of studies was revised to give us an exciting experiment in the humanities and in the Department of Religion. In each program the college is placing greater emphasis on "Man's Search for Identity" in which our students can formulate a clearer valuing process within a Christian context.

The Department of Physical Education devised a new rig called

the Trampoline, which was copyrighted, written up in several national journals, and was demonstrated by the Mars Hill College students and physical education teachers at the national meeting in New Orleans last spring.

The Department of Biology acquired a National Science Foundation contract to conduct studies in botany, the results of which are being written up in national publications.

The college has felt extremely fortunate in the formation of its Board of Advisors, which is composed of approximately fifty-five outstanding Christian professional men and women who are interested in Mars Hill College. It will be the task of this group to help present the image of Christian higher education throughout this state and in adjoining states.

On October 7 Mars Hill College had the formal opening of its new physical education complex, including the Chambers Gymnasium, Harrell Swimming Pool, and the Meares Athletic Fields. This new \$1,750,000 complex gave Mars Hill College one of the finest athletic facilities to be found on any college campus.

Through a major contribution by a private donor the college, through its Board of Trustees, was able to let a contract on a new dormitory for men. This facility is scheduled for completion in May 1969.

In noting these accomplishments we have touched on only a few of the innovative and exciting developments at Mars Hill College which should set it forth as a prime example of what Baptists can offer in Christian higher education.

During the past year the college operated with a total enrollment of 1,324, approximately the same number as in prior years. Our total indebtedness at the end of the fiscal year was \$425,000, and the plant assets increased from \$6,400,000 to \$6,923,000. Our total fund balances, including endowment and other sources, increased from \$7,146,000 to \$7,486,000.

MEREDITH COLLEGE

L. M. MASSEY, *Chairman, Board of Trustees*

E. BRUCE HEILMAN, *President*

Meredith College enrollment for the 1967-68 fall term was 877, of which number 850 were degree candidates. They came from two foreign countries and 16 states plus 80 North Carolina counties. About 51 percent were Baptist. Fall semester enrollment for 1968-69, Meredith's 70th full school term, numbers 856 degree candidates and 34 special students. A sixth dormitory, to cost \$750,000, is under construction and will provide spaces for 148 additional students.

The Bachelor of Arts degree was awarded to 171 young women in 1968 commencement exercises, and the Bachelor of Music degree, requiring a fifth year of study, to one graduate.

Also during commencement the college presented its first Distinguished Alumnae Awards to Dr. Elizabeth James Dotterer, a physician of Sanford; Dr. Mary Lynch Johnson, Raleigh, Professor of

English at the college and author of *The History of Meredith College*; Dr. Bernice Kelly Harris, Seaboard, North Carolina author and Mayflower cup winner; and Miss Mae F. Grimmer of Raleigh, long-time executive secretary of the Meredith College Alumnae Association.

Last year's program of Inter-Institutional Cooperation between Meredith and North Carolina State University has grown to include Peace, St. Augustine's, and St. Mary's Colleges and Shaw University. The consortium is known as Cooperating Raleigh Colleges and now has a full-time coordinator. The program provides exchange of facilities, students, courses, and faculty members between the six Raleigh-based institutions of higher education.

The new 33,000 square-foot, \$900,000 Carlyle Campbell Library has been completed and will be in full use for most of this academic year. Ground has been broken for the Weatherspoon Physical Education-Recreation Building. This facility, Meredith's first permanent one of its kind, will be made possible by a gift of \$400,000 from the families of W. Herbert Weatherspoon and his brother, the late James R. Weatherspoon.

The Board of Trustees has been increased by two members plus its first honorary life-time member, W. Herbert Weatherspoon. The year-old Board of Associates has grown to 51 members.

Meredith sponsored a six-weeks summer Institute of Asian Studies. Enrollment was limited to 35 high school teachers of Asian history. The Institute brought teachers from all sections of the United States to the campus.

The summer of 1968 also marked the first faculty workshop, held for three days at the Baptist State Convention Building.

The sixteenth annual School of Christian Studies was held at the college October 28-30. The purpose of the school is to "bring thoughtful ministers and laymen together in study and discussion under leaders who are making major, scholarly contributions to Christian life and thought." The 1968 leaders were Dr. Phyllis Tribble, Meredith graduate and Assistant Professor of Religion at Wake Forest University; Dr. Arthur C. McGill, Professor of Religion at Princeton University; and Dr. Jack S. Boozer, Professor of Religion at Emory University.

Meredith's 1967-68 financial audit as of June 30, 1968 lists the assets of the college at \$5,625,262. The same audit shows Meredith's indebtedness to be \$555,000, which amount represents a loan from the Housing and Home Finance Agency on Poteat Dormitory and the Carroll Infirmary. The debt will be amortized over the next 34 years at an interest rate of 3 1/4 percent.

The Meredith College Advancement Program is in the first year of its five year project to raise \$5,000,000 for capital improvements. Citizens of Raleigh have pledged and/or contributed \$1,200,000. Alumnae in the Raleigh area have pledged \$36,000 (\$6,000 above their goal), and the college faculty and staff gifts have been recorded at \$53,000 (\$13,000 more than the goal set for that group).

During the next year a state-wide opportunity for financial participation will be offered.

WAKE FOREST UNIVERSITY

LEON L. RICE, JR., *President, Board of Trustees*

JAMES RALPH SCALES, *President*

The 1967-68 year at Wake Forest University saw the establishment of a new major scholarship program, an art department, and two new institutes. It marked the completion of the university's 31,000 seat football stadium and ground breaking for a new Charles H. Babcock School of Business Administration building.

President James Ralph Scales was inaugurated April 11. Vice President Hubert Humphrey was speaker for the ceremony, which was attended by representatives from 200 colleges and universities.

In February the Trustees established the Guy and Clara Carswell Scholarship Fund in honor of the late Guy T. Carswell of Charlotte and his wife. Carswell left the university more than \$1.8 million, and income from the fund will be used to attract exceptional student leaders.

The Trustees also voted to establish an art department, with courses beginning in 1968-69. The department, which hopes to offer a major by 1971, has received a \$140,000 grant from the Mary Reynolds Babcock Foundation.

Two new institutes were established to help in areas which may not be connected directly with the university. The Ecumenical Institute is aimed at promoting understanding among various Christian groups. The Urban Affairs Institute is intended to help the city of Winston-Salem solve some of its urban problems.

The new Groves Stadium was completed during the summer, at a cost of \$3.9 million, and was ready for the first football game of the 1968-69 season.

The Charles H. Babcock School of Business Administration building, now under construction, was made possible by two gifts of \$500,000 each in honor of the late Charles H. Babcock, Winston-Salem philanthropist and benefactor of Wake Forest. It is expected to be completed by the fall of 1969. The gifts were made by Mrs. Nancy Susan Reynolds of Greenwich, Conn., and the Z. Smith Reynolds Foundation.

Dean Carroll W. Weathers of the School of Law announced his decision to retire as dean in June, 1969. He plans to continue teaching until the time of his retirement in 1972.

Dean Gaines M. Rogers of the Charles H. Babcock School of Business resigned in June to accept a similar position at Mississippi State University. Dr. Jeanne Owen, professor of business law, has been appointed acting dean of the School.

There have been several key administrative appointments. Dr. Edwin G. Wilson, formerly dean, has been named provost of the University. Gene T. Lucas, vice president, Oklahoma Baptist University, has become the new vice president for business and finance.

Dr. Thomas E. Mullen, an associate professor of history, is the new dean of the College. And John G. Williard has been promoted from acting treasurer to treasurer.

Enrollment this year is 3,177, a new high. This includes 2,537 students in the College of Arts and Sciences and School of Business Administration, 227 in the School of Medicine, 187 in the School of Law, and 226 in the Graduate School.

The university has adopted a record budget for the 1968-69 fiscal year of \$16,810,508. This represents an increase of \$1,727,990 over the previous year. The School of Medicine's portion of the budget is \$7,913,305.

Following is an analysis of the University's outstanding loans as of June 30, 1968:

WINGATE COLLEGE

E. D. GASKINS, *President of the Board of Trustees*

BUDD E. SMITH, *President*

For the year 1967-68 the enrollment of Wingate College was 1,569. These students came from twenty different states and six foreign countries. More than fifty per cent of the students belong to Baptist churches, and others are divided between more than twenty-five religious denominations. There are ninety faculty members, and these represent study in more than one hundred graduate schools in America and foreign countries.

The budget for 1968-69 is \$2,529,000. During the fiscal year of 1967-68 the college completed construction of a new fine arts center and a new dormitory for men costing \$1,490,000. All of this expenditure is completely debt free, and the value of the campus is now at approximately nine and one-half million dollars. Listed below will be shown the total indebtedness of the school:

<i>Principal Balance</i>	<i>Date</i>	<i>Interest Rate</i>	<i>Purpose</i>	<i>Maturity</i>	<i>Security</i>
\$ 47,393	11-1-56	2¾%	Girls' Housing	11-1-76	Dormitory
405,315	7-1-64	6%	Dining Hall	7-1-74	Dining Hall
			Dormitories		Dormitories

The average compensation for teachers is \$8,640 for a nine-months basis, and including fringe benefits the total compensation for teachers is \$9,200. The fringe benefits include hospitalization, insurance, retirement, social security, tuition payments for graduate study, fellowships, moving expenses, free tuition for children of employees, and travel expense to professional meetings.

Wingate College Library has now more than 41,000 volumes and

is considered one of the outstanding junior college libraries of the country. Concentration has been placed on a collection that will be used for the first two years of college in basically a liberal arts curriculum. The library budget for 1968-69 is \$75,000, and more than 4,000 volumes will be added. The entire system has been changed from the Dewey Decimal System to the Library of Congress. Three full-time professional librarians, a library clerk, and twenty students carry on an effective program for all students and faculty members.

Under construction now is a nine-hole golf course as a part of the physical education plant, and plans for a textile-engineering building and a dormitory for young men will be begun during the year.

Wingate Trustees are still planning to maintain an enrollment of not more than 1,600 students and will strive diligently to be an outstanding private, two-year college serving young people for two years and enabling them to go wherever they choose for senior college work. It is recognized that Wingate will become primarily a resident college because of the influence of community colleges on every side. The threat to the life of Wingate by these institutions is keenly felt in the loss of commuting students from the surrounding area. The number of commuting students has dropped from approximately 400 to less than 300 in a short period of time. In May 1968, 590 young people were graduated and practically all of these have been accepted into senior colleges and have moved without loss of credits. Wingate is proud of the record, and she will continue to strive in the area of excellence for the young people.

At the present time there are approximately 200 employees of the college, and each is keenly aware of the relationship between the Convention and the college. This relationship is carefully explained to every new student, and it is the belief that everyone is cooperating fully in the promotion of the Cooperative Program and the total Convention program. We are deeply grateful to each and every Baptist in North Carolina for the encouragement and for an investment in our program of Christian Higher Education. Our philosophy is, "An investment in a young person is an investment in eternity."

G. DIVISION OF CHRISTIAN SOCIAL SERVICES

1. Baptist Children's Homes of North Carolina, Incorporated

CARROLL C. WALL, JR., *Chairman, Board of Trustees*

W. R. WAGONER, *President*

Across eighty-four years the Baptist Children's Homes of North Carolina, Incorporated, has developed a variety of quality services to meet the needs of children and to strengthen family life. The purpose of this agency is the care of neglected and dependent children; emotionally disturbed children; and the rendering of related services to their relatives. The agency is also dedicated to working with other agencies, institutions and programs in an effort to strengthen wholesome Christian family life throughout the State.

The broad purposes of the agency embrace services directed toward the preservation, conservation and rehabilitation of families, hopefully to avoid the necessity for placement of children away from their own homes. Counseling services by skilled case work personnel are a vital part of the purposes of this agency aimed at the prevention of family disintegration. A conscientious effort has been made during the past year to provide assistance to people needing the services which are provided by the Children's Homes, through careful planning and care. New, different and more effective ways of meeting the needs of people are constantly being sought and explored.

Five buildings were completed, occupied and dedicated during the past year. These consisted of two family style cottages and two staff residences at Kennedy Home and one family style cottage at Mills Home. Two additional cottages are planned for construction at Mills Home during the next year. As has been true of all buildings at the Children's Homes, these have been and are being made possible by bequests through estate planning by friends of neglected and dependent children.

A regional case work center has been opened in Fayetteville, more adequately to serve the needs of people in that area of the State. Case work services are provided Odum Home at Pembroke from the Fayetteville office. Likewise, well trained social workers staff centers in Asheville, Charlotte, Thomasville, Chapel Hill, Raleigh and Kinston. Their services are available to those who need the kind of help which is afforded by the Children's Homes.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina, to be located in Haywood County between Waynesville and Clyde. It is hoped that preparation of the sight can begin in early 1969 with construction of buildings to follow as money becomes available. The Western Home, in addition to providing group care, will strengthen all types of services now being provided children and their families in the Western area. Enough children are in care at Mills Home to fill the Western Home upon completion.

Through the giving of North Carolina Baptists and other friends more than 1,300 children were assisted in some type service during the past year. All associated with the Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering was the largest ever—slightly in excess of \$325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

2. North Carolina Baptist Homes for the Aging

WILLIAM A. POOLE, Superintendent

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary

significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker, and with Dr. W. Perry Crouch offering the Prayer of Dedication.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, the Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptists of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85 per cent of the residents ministered unto receive assistance through love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22½ percent of their total support; (2) The Cooperative Program from which we receive 12½ percent of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around \$200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

3. North Carolina Baptist Hospitals, Inc.

CARTER M. PRESLAR, *Chairman, Board of Trustees*

REID T. HOLMES, *President and Chief Executive Officer*

This year has been another one of full service to the thousands of bed patients and out-patient clinic patients from all parts of our

State. We continue to act as a referral facility for physicians who have patients with complicated diseases and who cannot be treated in local hospitals because they may lack advanced facilities needed or trained specialists in certain obscure diseases. Our close affiliation as the teaching hospital for the Bowman Gray School of Medicine makes available to such people a Medical Center for this ministry.

Nationally, teaching hospitals and Medical Schools are in extreme financial difficulties. This has been brought about by rising costs for trained personnel, equipment and supplies in the health field. There are great shortages of personnel in some of the disciplines. The hospital has been experiencing deficits over the past three years. The Board of Trustees, through its finance committee, is taking steps to rectify this situation. It may lead to a reduction in beds set aside for service patients, requirements for payment in advance, or certification by Welfare or other agencies in advance. These same criteria will also need to be applied to out-patient visits. Medical emergency cases are always seen.

We will need the continuing help from our churches in the Mother's Day Offering. It needs to be greatly enlarged just to keep up with cost increases in the health field. We are grateful for the response to the annual Mother's Day Appeal for the sick poor who are always with us. We consider it a privilege to work in your behalf.

We are pleased to report that the new power plant will be in operation in late 1968, and the new paramedical school will be finished in early 1969. Bids are expected to be received on the new 16 story patient tower in early 1969 also. The Medical School addition is well along the way and will make possible a significant increase in Medical Student classes.

The joint Medical School — Hospital Development Program is continuing under the leadership of Mr. John F. Watlington, Jr., President of Wachovia Bank and Trust Company. We are grateful to him and other members of the Board of Visitors of the Medical School who have taken responsibility for this task.

HIGHLIGHTS OF THE YEAR

The *Recorder's* 135th year was not a spectacular one but rather a year in which its influence was evident in a number of areas. Here are a few:

—Last January the *Recorder* suggested a special Sunday in the churches devoted to highway safety and Governor Dan K. Moore accepted the idea, naming Billy Graham as chairman. The highway toll in July was the lowest in four years, at least some evidence that the June 29 observance in the churches was effective.

—Another editorial in the *Recorder* asked Evangelist Billy Graham to think twice before trying to establish a new college or university. Mr. Graham told reporters at the Southern Baptist Convention in Houston that this editorial was a chief factor in his decision not to establish such a school.

—Editorials in the *Recorder* last spring pleaded for Southern Baptists to face up to their responsibilities in the complex social issues of our day, these editorials being sent to members of the Southern Baptist Convention Executive Committee. The Executive Committee's support led to the eventual adoption of the Crisis Statement at Houston by an overwhelming 73 per cent to 27 per cent vote.

It was an unusual year in some respects:

—Nasty, abusive letters, most of them anonymous, were more numerous than usual.

—In contrast, the letters of commendation poured in as never before.

—It was a constant struggle to keep expenses in line with income, but fortunately, the deficit was only \$428.67.

—Because of a continued financial squeeze, complimentary subscriptions to Sunday school superintendents were discontinued but more than two-thirds of them elected to continue the *Recorder* on a paid basis. Even with this loss, circulation has more than held its own at 87,571.

C. W. Bazemore, associate in circulation and promotion, will have reached retirement age by the end of 1968. He has been a loyal, hard-working member of the *Recorder* staff. The directors and editor are deeply appreciative of the contribution he has made to the *Recorder* in the past 18 years.

V. REPORT OF THE NORTH CAROLINA BAPTIST FOUNDATION, INC.

GORDON MADDREY, *Executive Secretary*

According to the report of our fiscal agent, The North Carolina Baptist Foundation, Inc. had income producing assets amounting to \$537,546.71 as of June 30, 1968. The non-producing assets as of the same date are approximately \$500,000.00. This makes a total of \$1,037,546.71 as of June 8, 1968. Our income producing assets fluctuate slightly from time to time. This is accounted for in the

withdrawal of funds periodically to complete the Homes for the Aging at Yanceyville. From an actual dollars and cents accounting, the Foundation is gradually increasing each year. There have been no large investments through the Foundation, as we usually evaluate investments. There has been a steady increase in the use of facilities of the Foundation by a large number of our people. One of the major purposes of the Foundation is that it shall serve every Baptist and I believe that aim is being accomplished as a larger number of our people are finding it desirable to use its services.

During the past year, more and more of our churches are making efforts to inform their members of the importance of making a will. During the month of January each year special emphasis is being placed on the necessity, desirability, and proper planning inherent in making one's will. As has been said so many times during the past year, either you make your will as you specifically desire it or the State of North Carolina will make one for you. The statute law determines the manner in which your estate will be disposed of unless you have made your will to conform to your particular wishes.

We would again call your attention to the films we have for your usage by requesting the same from the Program Services Office. There are two 16mm sound films "Treasures in Heaven" and "God's Will Through Yours," plus two 35mm film strips "Generations to Come" and "Pastor, Do You Have a Will?" We hope you will have an occasion to use these films.

VI. REPORT ON CONVENTION COMMITTEES

A. COMMITTEE ON MEMORIALS

E. L. SPIVEX, Chairman

True to our custom, we pause at this time to pay our tribute of love and respect to the memories of our fellow-pastors who have fallen asleep since the last meeting of this Convention. They nobly filled their places of service in the vineyard of our Lord and were instrumental, in God's hands, in leading hundreds to accept our Lord as their Master and Saviour. While on this earth, they enjoyed a portion of their heavenly inheritance and led multitudes to a foretaste of heaven. Both heaven and earth felt the power of their ministry. Now they have entered into their eternal inheritance and the joy and rapture of heaven are theirs to the full. We offer to their families and to the many people whom they served, both our condolence and congratulations. The work they did will continue until the end of the end.

These men of God sowed good seed in this and other states. Those who followed after them are reaping, and will continue to reap in the fields where they sowed their good seed. Our churches, our denomination, and the communities in which they served are stronger because they lived in the midst of them, preaching the

riches of heavenly grace. We are firmer in the faith because of their dedication and heaven is richer because of their home-going. We thank God for every remembrance of our brothers in Christ and pray that more of our young people will answer the call of God to follow in their train. Now, more than ever before, this confused and embittered world needs the Gospel our departed brothers proclaimed — the knowledge of Jesus Christ as Redeemer and Lord.

B. THE CHRISTIAN LIFE COMMITTEE

GEORGE J. GRIFFIN, *Chairman*

The Christian Life Committee presents its report in three stages:

I. After considering the tentative recommendations of the joint committee to establish a Christian Life Division of the Baptist State Convention, the Christian Life Committee unanimously approved the proposal. This means that instead of continuing with the present structure of three committees — The Christian Life, The Public Affairs, and The Christian Action Committees, there would be the one Division which would undertake to incorporate and implement the functions of all these Committees.

II. The Statement of The Southern Baptist Convention, concerning "Crisis in the Nation," which was approved by the majority of the messengers at the Houston Convention was fully accepted by the Christian Life Committee and recommended for all churches and individuals in our state. The Statement is as follows:

WE FACE A CRISIS

Our nation is enveloped in a social and cultural revolution. We are shocked by the potential for anarchy in a land dedicated to democracy and freedom. There are ominous sounds of hate and violence among men and of unbelief and rebellion toward God. These compel Christians to face the social situation and to examine themselves under the judgment of God.

We are an affluent society, abounding in wealth and luxury. Yet far too many of our people suffer from poverty. Many are hurt by circumstances from which they find it most difficult to escape, injustice which they find most difficult to correct or heartless exploitation which they find most difficult to resist. Many live in slum housing or ghettos of race or poverty or ignorance or bitterness that often generate both despair and defiance.

We are a nation that declares the sovereignty of law and the necessity of civil order. Yet, we have had riots and have tolerated conditions that breed riots, spread violence, foster disrespect for the law and undermine the democratic process.

We are a nation that declares the equality and rights of persons irrespective of race. Yet, as a nation, we have allowed cultural patterns to persist that have deprived millions of black Americans and other racial groups as well, of equality of recognition and

opportunity in the areas of education, employment, citizenship, housing and worship. Worse still, as a nation, we have condoned prejudices that have damaged the personhood of blacks and whites alike. We have seen a climate of racism and reactionism develop resulting in hostility, injustice, suspicion, faction, strife and alarming potential for bitterness, division, destruction and death.

WE REVIEW OUR EFFORTS

In the face of national shortcomings, we must nevertheless express appreciation for men of good will of all races and classes who have worked tirelessly and faithfully to create a Christian climate in our nation.

From the beginning of the Southern Baptist Convention and indeed in organized Baptist life, we have affirmed God's love for all men of all continents and colors, of all regions and races. We have continued to proclaim that the death of Jesus on Calvary's Cross is the instrument of God's miraculous redemption for every individual.

Inadequately but sincerely, we have sought in our nation and around the world both to proclaim the gospel to the lost and to minister to human need in Christ's name. Individually and collectively, we are trying to serve, but we have yet to use our full resources to proclaim the gospel whereby all things are made new in Christ.

WE VOICE OUR CONFESSION

"If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin, and will heal their land" (2 Chron. 7:14).

The current crisis arouses the Christian conscience. Judgment begins at the house of God. Christians are inescapably involved in the life of the nation. Along with all other citizens we recognize our share of responsibility for creating in our land conditions in which justice, order and righteousness can prevail. May God forgive us wherein we have failed him and our fellowman.

As Southern Baptists, representative of one of the largest bodies of Christians in our nation and claiming special ties of spiritual unity with the large conventions of Negro Baptists in our land, we have come far short of our privilege in Christian brotherhood.

Humbling ourselves before God, we implore him to create in us a right spirit of repentance and to make us instruments of his redemption, his righteousness, his peace and his love toward all men.

WE DECLARE OUR COMMITMENT

The Christ we serve, the opportunity we face and the crisis we confront compel us to action. We therefore declare our commit-

ment, believing this to be right in the sight of God and our duty under the lordship of Christ.

We will respect every individual as a person possessing inherent dignity and worth growing out of his creation in the image of God.

We will strive to obtain and secure for every person equality of human and legal rights. We will undertake to secure opportunities in matters of citizenship, public services, education, employment and personal habitation that every man achieve his highest potential as a person.

We will accept and exercise our civic responsibility as Christians to defend people against injustice. We will strive to insure for all persons the full opportunity for achievement according to the endowments given by God.

We will refuse to be a party to any movement that fosters racism or violence or mob action.

We personally will accept every Christian as a brother beloved in the Lord and welcome to the fellowship of faith and worship every person, irrespective of race or class.

We will strive by personal initiative and every appropriate means of communication to bridge divisive barriers, to work for reconciliation and to open channels of fellowship and cooperation.

We will strive to become well informed about public issues, social ills and divisive movements that are damaging to human relationships. We will strive to resist prejudice and to combat forces that breed distrust and hostility.

We will recognize our involvement with other Christians and with all others of good will in the obligation to work for righteousness in public life and justice for all persons. We will strive to promote Christian brotherhood as a witness to the gospel of Christ.

WE MAKE AN APPEAL

Our nation is at the crossroads. We must decide whether we shall be united in good will, freedom and justice under God to serve mankind or be destroyed by covetousness, passion, hate and strife.

We urge all leaders and supporters of minority groups to encourage their followers to exercise Christian concern and respect for the person and property of others and to manifest the responsible action commensurate with individual dignity and Christian citizenship.

We appeal to our fellow Southern Baptists to join us in self-examination under the Spirit of God and to accept the present crisis as a challenge from God to strive for reconciliation by love.

We appeal to our fellow Southern Baptists to engage in Christian ventures in human relationships, and to take courageous actions for justice and peace.

We believe that a vigorous Christian response to this national crisis is imperative for an effective witness on our part at home and abroad.

Words will not suffice. The time has come for action. Our hope

for healing and renewal is in the redemption of the whole of life. Let us call men to faith in Christ. Let us dare to accept the full demands of the love and lordship of Christ in human relationships and urgent ministry. Let us be identified with Christ in the reproach and suffering of the cross.

We therefore recommend to the messengers of the Southern Baptist Convention that:

1. We approve this statement on the national crisis.
2. We rededicate ourselves to the proclamation of the gospel which includes redemption of the individual and his involvement in the social issues of our day.
3. We request the Home Mission Board to take the leadership in working with the Convention agencies concerned with the problems related to this crisis in the most effective manner possible in keeping with their program assignments.
4. We call upon individuals, the churches, the associations and the state conventions to join the Southern Baptist Convention in a renewal of Christian effort to meet the national crisis.

III. In the light of this statement and in an attempt to implement it, The Christian Life Committee makes the following specific suggestions and we recommend:

1. That representatives of the Baptist State Convention extend an invitation to representatives of the General Baptist Convention to explore ways and means of mutually coordinating, extending, and where feasible combining student ministries affecting the constituency of both Conventions.
2. That the two Conventions explore ways and means of cooperative involvement in inner city ministries and special evangelistic endeavors. The Committee strongly suggests that great care be exercised in making certain that representatives of the General Baptist Convention be involved at all levels of planning as related to these proposals, especially in the initial stages of discussion.
3. That our Baptist Convention be encouraged to employ additional non-whites in secretarial, business office and other positions where feasible and as openings occur.
4. That all institutions affiliated with the Baptist State Convention be encouraged to practice an equal employment policy.
5. That local Churches be encouraged to consider the Federal Government minimum wage requirements as the minimum pay scales for janitorial and custodial services personnel.
6. That individuals and local churches explore ways and means of becoming actively involved in attempts to alleviate the sub-standard housing of large segments of our population. Specifically, we recommend that the State Convention and local churches explore the possibility of allocating funds and participating in projects designed to provide low-cost housing for low-income persons.

7. That North Carolina Baptists be encouraged to give support to all efforts seeking fair employment practices in all sections of business and industry, including retail merchants.

C. REPORT OF TRUSTEE ORIENTATION COMMITTEE

BUDD E. SMITH, *Chairman*

We understand that the purpose of our committee is to provide for the orienting and instructing of all trustees as to their duties, responsibilities, prerogatives, and relationships to the institutions, to the Convention, and to any agencies.

In seeking to carry out this purpose the committee has met and planned a program of trustee orientation to be held at the Jack Tar Hotel in Durham, North Carolina on January 3-4, 1969. The program will be on the theme, "The Trustee and Christian Behavior in Our Time." The speakers for the program will include Dr. Claud Bowen speaking on "The Trustee and Christian Behavior in our Time"; Dr. Gordon Blackwell who will be speaking on "Student Behavior on College Campuses"; Dr. Clarence Patrick of Wake Forest University who will speak on "Observations of Behavior in our Society"; Dr. W. Perry Crouch on "The Work of our Convention"; Dr. Norman Wiggins, president of Campbell College, on "Legal Aspects of Institutional Trusteeship"; Dr. Foy Valentine on "Christian Behavior in the Field of Social Service"; and Dr. Willis Bennett on "The Trustee's Role in Meeting the Problems of Human Behavior."

Other program personalities will include The Reverend R. F. Smith, Dr. Ben Fisher, The Reverend John Stone, The Reverend William H. Puckett, The Reverend Gilmer Cross, The Reverend William A. Poole, Dr. W. R. Wagoner, and the Meredith College Girls' Ensemble.

The committee sincerely urges institutions and agencies to see that all trustees attend this meeting.

D. REPORT OF HISTORICAL COMMITTEEHENRY S. STROUPE, *Chairman*

In April 1968, Mr. John R. Woodard, Director of the Baptist Historical Collection, was called to active duty in the United States Army. For some years he has been a member of the 312th Evacuation Hospital Company, which is composed largely of physicians and supporting staff from the Winston-Salem area. The company was mobilized at Fort Benning, Georgia, on May 13, 1968, for an indefinite period of time. Mr. Woodard's present address is:

Captain John R. Woodard
05331008
2nd EVAC. Hosp.
Ft. Benning, Georgia

As soon as he learned that he would be called to active duty, Mr. Woodard requested a leave of absence from his position in the Baptist Collection. The leave was granted and a search for a temporary replacement launched at once. It is a pleasure to report that Dr. Merrill G. Berthrong, Director of the Wake Forest University Libraries, was able to secure the services of Mrs. Jeanette Smith as Acting Director of the Baptist Historical Collection. Mrs. Smith is a professional librarian with strong interest in Baptist historical materials. She will be able to maintain the Collection effectively during the absence of the regular director.

Specifically, under the general supervision of Dr. Berthrong and with the help of the Collection's secretary, Mrs. Smith will continue to collect Baptist historical materials and make them available to researchers. There are definite plans for resuming work on the unfinished index to the *Biblical Recorder*, making the books on the shelves more accessible, installing a microfilm reader and a file for the microfilm related to the Collection, expanding the files on North Carolina ministers, and revising the card catalog. All current book catalogs which might contain items relating to North Carolina Baptist history will be examined.

During the fiscal year ending June 30, 1968, 370 items were added to the Collection. These included biographical sketches, church records, minutes of various Baptist bodies, church histories, photographs, one private collection, and more than two hundred books. The committee is happy to report that despite unexpected difficulties, the Collection is still receiving proper attention and is open for public use.

Among the items received were the following recent publications in the field of North Carolina Baptist History:

Jeter Laurence Bryson, *The Lovely Lady of Catawba County: A History of the First Baptist Church, Newton, N. C.*

David O. Dyer, *Upstream: A History of Clemmons Baptist Church, 1866-1966.*

Gorman Baptist Church, *The Fiftieth Anniversary Annual, 1916-1966.*

Frances Haywood, *The History of Emerywood Baptist Church, 1956-1966.*

Maloy A. Huggins, *History of North Carolina Baptists, 1727-1932.*

Alvin A. Walker, *Maiden Footprints in Baptist Sands: Diamond Anniversary History of the First Baptist Church, Maiden, N. C.*

Ellen B. Watson, *A History of the Bethel Baptist Association.*

Researchers find manuscript church records both old and current to be among the most useful of all sources of historical information. Of special significance among the records added last year were those of Eaton's Baptist Church for the period 1772-1902. Other records include Cedar Fork Meeting House, 1848; Corinth Baptist Church, 1919; Elizabethtown Baptist Church, 1903-1926; Elm Grove, 1846-1881; Enon Baptist Church, 1871, 1912; Ephesus Church, 1835-1919; Farmington, 1883-1884; Flat Rock Church, Franklin County, 1919-1929; Flat Rock Church, Yadkin County, 1895-1917; and Gardner's Baptist Church, 1844-1931.

By calling attention to these specific items, your historical committee seeks to encourage more writing by living historians and greater effort on the part of all interested persons in the preservation of the sources which future authors must have.

E. PUBLIC AFFAIRS COMMITTEE

The Public Affairs Committee has no study report for the Book of Advanced Reports. At the first meeting of this committee, May 2, 1968, those present looked with favor upon the proposal to merge this committee with two others in forming the Council on Christian Life and Public Affairs as a division of our Baptist State Program. It is for this reason that the committee has not sought to bring a report.

F. REPORT OF COMMITTEE OF 20

Your Committee of 20 has made an earnest attempt to comply with the recommendations accompanying its election.

Our assignment was "to study the present serious problems facing our Baptist colleges, such as their financial needs, capital improvements and operation, their problems of maintaining top level educational facilities and faculties, future cooperation with the state

and federal government and future relationship with the Baptist State Convention."

A further request was made: "That this committee be requested to confer with the leadership of our Convention, with the leadership of our Baptist colleges, and with any other source that will help with the solution to the problems of our colleges and the Convention."

We were asked to publish our report one month prior to the meeting of this Convention.

The significance of our assignment was clearly seen in our first meeting. There was unanimous agreement that we should issue invitation to an open meeting to any interested member of our Convention, that we should meet with the college presidents; and, that we should divide the responsibility among several subcommittees. All of this has been done. We believe we have progressed toward completion of our assignment; but, it is only a beginning. It is hoped that within another year our assignment would be completed within the capabilities of our committee. We therefore respectfully request that this committee be continued for another year. Further, we would ask that we be permitted to publish our report at least one month prior to the annual Convention, November 10-12, 1969.

Auditor's Report

Auditor's Statement

EXECUTIVE COMMITTEE OF THE
GENERAL BOARD OF THE
BAPTIST STATE CONVENTION OF NORTH CAROLINA
RALEIGH, NORTH CAROLINA

Gentlemen:

We have examined the balance sheet of the Baptist State Convention of North Carolina as of December 31, 1968, and the related statements of income and changes in fund balances for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The statements, which are a part of this report show the condition of the General, Education and Social Service Institutions Funds at December 31, 1968, and the results of the income and expenses for the year then ended. The statements of the North Carolina Baptist Assembly, the Fruitland Baptist Camp and the Fruitland Baptist Bible Institute cover the operations for the period of twelve months ended December 31, 1968, and, in addition, give a reconciliation of cash. The funds shown as sent direct are taken from reports received by the Convention and were not otherwise verified by us.

All recorded cash receipts were found to be promptly deposited in the bank and disbursements were supported by canceled checks, invoices or other evidence, with expenses properly classified. Our examination did not disclose any evidence of irregularities and we believe the funds have been carefully and honestly handled and accounted for.

In our opinion, the accompanying balance sheet and statements of income and expenses and fund balances present fairly the financial position of the Baptist State Convention of North Carolina at December 31, 1968, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to such organizations, applied on a basis consistent with that of the preceding year.

Respectfully submitted,
A. T. ALLEN & COMPANY
Certified Public Accountants
